

From: Gail Marie Brown, Onyx Summit 2027 Trip Leader

Date: October 1, 2026

The 2027 NBS Summit will be held at Whistler Blackcomb in Western Canada from March 13-20th. It's a beautiful resort and offers a lot for skiers and non-skiers.

Whistler is 2 hours from Vancouver and is the largest ski area in the North America/Canada territory.

Onyx is working to secure NBS lodging convenient to The Westin, on the shuttle path, walking distance to shops, restaurants, bars and NBS happy hours as well as walking distance to the Whistler and Blackcomb gondolas.

We're looking for lodging options to include studio units, one bedroom and two bedroom/2 bath units. The occupancy will be based on individual beds, not pillows.

In order to get the best lodging pricing, we have to secure 10 units. We need to sell 5 more units. If you plan to go to the Summit, you have to let me know now. A 25% deposit is required to secure your lodging so plan for at least a \$500 deposit.

NBS is offering discount airfares with United for 10 or more people on the same reservation and requires payment in full for the fare. We're looking at options to fly out of Tampa or Orlando. Airfare ranges from \$957 to \$1400 round trip

You must be a current member of Onyx, and you must have a passport that expires no earlier than September 30, 2027.

Any questions or to lock in your reservation please contact Gail Marie Brown at 908-227-7545
