The Addison Village Club Camp participants spend a great deal of time in the outdoors and are thereby exposed to the sun's harmful rays. Parents/guardians will be responsible for applying the first layer of sunscreen prior to morning drop off. The camp staff will apply follow-up applications after one hour in the water, after two hours of activity in the sun (due to perspiration), and/or any other time as needed. Parents or legal guardians will be responsible for providing their children with enough sunscreen (in a sealed container) to take with them for later day applications. One container per child. Please be sure to write your child's name on his or her sunscreen. ***Please note, this will mean your child will have the sunscreen applied for them by the day camp staff, and while we will make every effort to keep your child safe, we will not be held responsible for any sunburn incurred while at camp. Please explain this to your child before camp.***
