Threads of Transformation: Contemporary Textile Art

*Marianella Blasini (Venezuela), Pepa Martin and Karen Davis (Australia),
Cuchi Tanborda (Venezuela/USA), Evangeline Ang (Singapore), Katerine Sztejn
(Argentina), Carola Orieta Sperman (Argentina)*

Contemporary Art Projects USA proudly presents ***Threads of Transformation: Contemporary Textile Art***, an extraordinary exhibition showcasing the innovative works of seven internationally acclaimed contemporary artists.

This dynamic exhibit reimagines textiles as a powerful medium of artistic expression, inviting audiences to explore themes of identity, sustainability and cultural narratives.

Through sculptural installations, intricate tapestries, and groundbreaking techniques, ***Threads of Transformation*** challenges traditional perceptions of textile art, celebrating its versatility and emotive power.

THROUGH APRIL 4

All exhibitions are free and open to the public.
