

THE MAILBOX

This is the original logo of PIP and the mailbox is still significant and even more relevant today.

We would like to help you stay in touch with your customers during this outbreak. USPS will remain in operation through this crisis and we will be

offering

MAILING SERVICES

at discounted rates

for any businesses that would like to send a mailer out to their prospects or customers. We are also offering emergency sign services and free delivery for anyone that needs to get their message out quickly.
