

CALL FOR POSTERS

Due July 9

2021

Quality Month Symposium

A day to share, a month to celebrate, a year to experiment and improve.

Celebrate Quality Month by showcasing your team's improvement efforts! Submit your story to be shared with colleagues across Michigan Medicine during the 2021 Quality Month Symposium. Simply follow the easy instructions below.

1

Mark your Calendar!

Submissions due July 9.

Events will be held in October.
Stay tuned for more!

2

Download the poster template from the Quality Month website:

quality.i.medicine.edu

3

Complete the poster submission using the provided template.

Questions? Email Quality-Month@med.umich.edu

4

Submit your poster through the following Qualtrics link:

<https://bit.ly/3biuFSz>

Need help telling your story?

Check out the Quality website for a variety of problem solving tools and templates.

Or sign up for coaching with an Improvement Specialist at <https://bit.ly/2v7pX6O>

Completed posters demonstrate:

- At least one completed Plan-Do-Check-Adjust (PDCA) cycle of improvement
- Measureable assessment of the outcomes of experiments
- Connections between improvement objectives and organizational goals of Optimizing Quality & Safety in Patient Care, Leading in Value Creation, Enhancing the Patient Experience, Developing Our Employees, Improving Financial Performance, & Improving Diversity & Inclusion
- A clear relationship between root cause and countermeasures
