123rd Convention and Annual Meeting

Doctor Registration Materials

September 28 - October 1, 2023

Marriott Madison West
Middleton, WI
Your WOA is pleased to announce the 2023 Convention and Annual Meeting at the Marriott Madison West in Middleton, WI. The education will begin at 1:00 p.m. on Thursday, September 28th and will run until 11:45 a.m. on Sunday, October 1st. The event will feature a bustling Exhibit Hall on Thursday afternoon and throughout the day Friday, with 40-50 companies attending! These companies will be in Middleton to show their support for our profession as well as to provide attendees with the most up-to-date information regarding products and services to help your practice and your patients. They are very eager to attend the event and connect face-to-face.

The Wisconsin Paraoptometric Association (WPA) will also be holding their fall Convention in conjunction with the WOA Convention, with great education for optometric assistants available Friday and Saturday. We encourage all doctors to send their staff to attend CE at this quality event, as the knowledge gained by your staff can only help your practice and improve the care provided to patients. Registration for their event will be opening soon and can be found on their website at [www.wpa-eyes.org](http://www.wpa-eyes.org)

**Speakers:** Please see pages 3-5 for schedule, course titles, and descriptions:
- Anthony DeWilde O.D., Director, Tele-Eye Imaging Program, VA Kansas City Health Care and Adjunct Instructor for the University of Missouri College of Optometry.
- Jay Haynie, O.D., Sound Retina, Tacoma, Washington, Adjunct Assistant Clinical Professor—Pacific University College of Optometry.
- Kelly Malloy, O.D., Director, Neuro-Ophthalmic Disease Service and Professor, Pennsylvania College of Optometry at Salus University.

**CE Approval Information:**
- 22 hours approved by the Wisconsin Optometry Examining Board. COPE approval pending.
  - 7 hours neuro optometry (NO)
  - 2 hours glaucoma (GL)
  - 3 hours systemic disease (SD)
  - 1 hour pharmacology (PH)
  - 9 hours treatment and management of ocular disease (TD)

**Event Highlights:**
- **Thursday Exhibit Hall Open House:** 5:15 p.m.—7:00 p.m.
- **Friday Membership Awards Luncheon:** 12:15 p.m.—1:30 p.m.
- **Friday Exhibit Hall Open House:** 5:45 p.m.—7:00 p.m.
- **Friday New Member/Student Orientation (open to all ODs in practice 10 years or less):** 6:15 p.m.—6:45 p.m.
- **Friday WOA Next Networking Social:** 7:00 p.m.—8:30 p.m.
- **Saturday WOA Business Meeting:** 9:45 a.m.—11:30 a.m.
- **Saturday President's Luncheon:** 11:45 a.m.—1:15 p.m.

**Registration Information:**
**Early Bird Registration Deadline: August 18, 2023!** ◆ **Regular Registration Deadline: September 20, 2023**

Two ways to register:
- Complete enclosed registration form and fax or mail to WOA.
- Use the online registration portal: [Click Here](#)

Two types of registration:
- Full Registration, includes all education and meals (you must still check off each class and meal you plan to attend).
- Partial Registration, allows you to choose courses and meals individually. If the individual courses you are taking cost more than the full registration, you should choose full registration and just check off the courses/meals you are attending.

**Discount for WOA Members:** There is a substantial discount for WOA members. If you are not currently a member of the WOA, but would like to join, please email WOA Assistant Executive Vice President Ms. Joleen Breunig at joleen@woa-eyes.org for more information.

**Hotel Information:**
There is a room block set aside at the Marriott Madison West with rate of $131 plus tax per night. The room block will be released on **Thursday, September 7, 2023**, after which the group rates will not be honored. Reservations should be made using the online reservation system through this [LINK](#). Please note there are a finite number of rooms available in the block and those rooms could sell out before the room block expires. We strongly advise making your reservations right away as the group rate is only available for rooms in the block.
**Wed Sept. 27**

8:00 p.m. - 10:00 p.m.
Executive Committee Meeting
*Middleton Room*

**Thurs Sept. 28**

8:00 a.m. - 1:00 p.m.
WOA Board of Directors Meeting
*Green Bay/Milwaukee/LaCrosse Rooms*

9:00 a.m. - 5:00 p.m.
Registration
*Conference Center Coat Room*

1:00 p.m. - 2:45 p.m.
“Autoimmune Disease and the Eye”
Anthony DeWilde, O.D.
2 hours SD
COPE#: 80030-SD (Pending)
*Superior Room*

Autoimmune disease can affect every part of the eye. This course will highlight how certain autoimmune diseases such as Graves' Disease, Myasthenia Gravis, Multiple Sclerosis, and Sarcoidosis affect the eye. It is important for Optometrists to recognize what ocular complications can manifest from these autoimmune diseases for appropriate treatment, testing, and referral.

2:45 p.m. - 3:30 p.m.
EXHIBIT HALL BREAK
*Michigan/Wisconsin Rooms*

3:30 p.m. - 5:15 p.m.
“OCT Grand Rounds”
Anthony DeWilde, O.D.
1 hour TD
COPE#: 79939-TD (Pending)
*Superior Room*

This course will highlight the interesting ways OCT can improve diagnosis and management of patients with retinal disease. Case presentations will highlight the utility of OCT including managing macular holes, retinal traction, macular edema, and macular degeneration.

AND

“VA Grand Rounds”
Anthony DeWilde, O.D.
1 hour TD
COPE#: 76376-TD (Pending)
*Superior Room*

This course highlights the interesting, often challenging, patients encountered at a VA Medical Center. Various conditions will be presented with an emphasis on posterior segment and systemic disease. Audience participation is encouraged.

5:15 p.m. - 7:00 p.m.
EXHIBIT HALL OPEN HOUSE Reception
*Michigan/Wisconsin Rooms*

**Fri Sept. 29**

7:00 a.m. - 5:00 p.m.
Registration
*Conference Center Coat Room*

7:15 a.m. - 8:00 a.m.
Continental Breakfast for Doctors
*Superior Room*

8:00 a.m. - 9:45 a.m.
Anthony DeWilde, O.D.
1 hour PH
COPE#: 79884-PH (Pending)
*Superior Room*

Plaquenil maculopathy is a rare, but visually debilitating complication of using hydroxychloroquine medication. This course details utilizing special testing including Visual Fields and OCT for diagnosis. The 2011 and 2016 American Academy of Ophthalmology management recommendations including treatment and follow-up will be discussed, including what height, weight, and dosage constitutes high risk. New information about risk modification will help the Optometrist manage patients on Plaquenil.

AND

“Optometrists Guide to Glaucoma Surgery”
Anthony DeWilde, O.D.
1 hour GL
COPE#: 72156-GL (Pending)
*Superior Room*

Glaucoma surgery is a complex procedure that has evolved dramatically since its introduction. You will learn traditional glaucoma surgery techniques to improve your knowledge of management for patients with glaucoma. Newer surgical modalities, including Micro Invasive Glaucoma Surgery MIGS, will be discussed in depth. You will gain knowledge of how to refer for glaucoma surgery, what outcomes to expect, and how to co-manage patients.

9:45 a.m. - 10:30 a.m.
EXHIBIT HALL BREAK
*Michigan/Wisconsin Rooms*
Fri Sept. 29 cont.

10:30 a.m. - 12:10 p.m.
“Anti-VEGF and the Eye: Past, Present, and Future”
Anthony DeWilde, O.D.
1 hour TD
COPE: 79832-TD (Pending)
Superior Room
Anti-VEGF medication has caused a paradigm shift in the maintenance of retinal vein occlusions, diabetic retinopathy, and wet age-related macular degeneration. This course highlights the diagnosis, treatment, and referral of these conditions now that Anti-VEGF is the standard treatment.
AND
“Guide to Headaches for the Optometrist”
Anthony DeWilde, O.D.
1 hour NO
COPE: 79881-NO (Pending)
Superior Room
Many patients come to the eye doctor concerned that headaches are related to their eyes. This course is designed to highlight important diagnostic strategies for Optometrists to diagnose and manage patients with headaches to help determine which headaches originate from ocular conditions and which headaches can have ocular manifestations.

12:15 p.m. - 1:30 p.m.
Membership Awards Luncheon
Geneva/Mendota Rooms

1:30 p.m. - 3:20 p.m.
“New Therapeutics for the Treatment of Retinal Disease”
Jay Haynie, O.D.
1 hour TD
COPE: 84982-TD (Pending)
Superior Room
This course will update the attendees on the current concepts and treatment of retinal disease based on recent clinical trials and approval of new therapeutic options for AMD, DME, etc.
AND
“Retinal After Dark: A Compilation of Clinical Cases”
Jay Haynie, O.D.
1 hour TD
COPE: 84986-TD (Pending)
Superior Room
This course is a compilation of cases that are commonly seen in clinical practice.

3:20 p.m. - 4:00 p.m.
EXHIBIT HALL BREAK & OD/Student Poster Session
Michigan/Wisconsin Rooms

4:00 p.m. - 5:45 p.m.
“Diabetic Retinopathy: An Era of Change”
Jay Haynie, O.D.
2 hours TD
COPE#: 84983-TD(Pending)
Superior Room
This course will update you on the current concepts and the era of change regarding the management of diabetic retinopathy. You will fully understand the standard classification of non-proliferative and proliferative diabetic retinopathy. You will be updated on the current treatment for diabetic macular edema and proliferative retinopathy based on current trends guided by numerous clinical trials.

5:45 p.m. - 7:00 p.m.
EXHIBIT HALL OPEN HOUSE
Final Session
Michigan/Wisconsin Rooms

5:45 p.m. - 6:15 p.m.
OD/Student Poster Session in Exhibit Hall
Michigan/Wisconsin Rooms

6:15 p.m. - 6:45 p.m.
New Member/Student Orientation
Middleton Room

7:00 p.m. - 9:00 p.m.
WOA Next Networking Social (All Doctors welcome)
Geneva Room

Sat Sept. 30

7:00 a.m. - 4:00 p.m.
Registration
Conference Center Coat Room

7:00 a.m. - 8:00 a.m.
Continental Breakfast
Superior Room

8:00 a.m. - 9:45 a.m.
“Age Related Macular Degeneration and Masquerading Maculopathies”
Jay Haynie, O.D.
2 hours TD
COPE#: 83169-TD (Pending)
Superior Room
Age Related Macular Degeneration is the leading cause of legal blindness worldwide. The landscape for guidance on use of micronutrient supplements, treatment of neovascular AMD and the future of prospective options for our patients with non neovascular geographic AMD are evolving and we must stay up to date for our patients. This presentation will give you the most recent update on management of the patient with AMD. In addition, there are many macular diseases that may mimic AMD when it comes to symptoms and clinical findings. Differentiating masquerading
maculopathies of AMD is crucial when discussing treatment and prognosis with your patient.

9:45 a.m. - 11:30 a.m.
WOA Business Meeting
All WOA Members
Superior Room

11:45 a.m. - 1:15 p.m.
President's Luncheon
Michigan Room

1:30 p.m. - 3:15 p.m.
"Enhance Your Understanding of Neuro-Imaging"
Kelly Malloy, O.D.
1 hour NO
COPE#: 80034-NO (Pending)
Superior Room
Gain understanding of neuro-imaging studies ordered in neuro-ophthalmic practice.

AND

"Papilledema"
Kelly Malloy, O.D.
1 hour NO
COPE#: 81447-NO (Pending)
Superior Room
This course reviews the clinical presentation of papilledema, and why it should be considered a medical emergency, even in subtle cases. This case-based presentation will demonstrate various etiologies of papilledema and discuss treatment of the underlying cause in both adults and children.

3:15 p.m. - 3:30 p.m.
Break
Superior Room

3:30 p.m. - 5:15 p.m.
"Neuro-Ophthalmic Presentations in Older Adults"
Kelly Malloy, O.D.
2 hours NO
COPE#: 81589-NO (Pending)
Superior Room
A case-base approach is used to discuss neurologic and systemic conditions that commonly demonstrate neuro-ophthalmic manifestations in the older population. Many of these conditions seen in the elderly need urgent or emergent evaluation in order to prevent morbidity and mortality.

Sun Oct. 1

7:30 a.m. - 11:00 a.m.
Registration
Conference Center Coat Room

7:30 a.m. - 8:00 a.m.
Continental Breakfast
Superior Room

8:00 a.m. - 9:45 a.m.
"To Refer or Not to Refer (to Neuro)?...That is the Question"
Kelly Malloy, O.D.
2 hours NO
COPE#: 78909-NO (Pending)
Superior Room
This case-based course demonstrates several patient scenarios and reminds participants of tools at their disposal to help determine best patient management and need for referral to a specialist, for outpatient work-up, or to the ER.

9:45 a.m. - 10:00 a.m.
Break
Superior Room

10:00 a.m. - 11:45 a.m.
"Getting to the Heart of the Matter: Ocular Signs and Symptoms"
Kelly Malloy, O.D.
1 hour SD
COPE#: 85172-SD (Pending)
Superior Room
This case-based lecture highlights visual and ocular signs and symptoms which lead to the diagnosis of heart-related abnormalities. Optometrists have the skill set to suspect and recognize potential cardiac and vascular issues if they take the time to listen to their patients, routinely monitor blood pressure and pulse, and carefully assess visual function and ocular health. Timely referral to the emergency department and/or cardiology can save vision, prevent stroke, and ultimately save a life.

AND

"Glaucoma Cross Examination"
Kelly Malloy, O.D.
1 hour GL
COPE#: 85173-GL (Pending)
Superior Room
Through a case-based presentation, learn to differentiate an optic neuropathy from another mimicking condition and gain insight into the clinical features and presentations more likely associated with glaucomatous vs non-glaucomatous optic neuropathy, or perhaps a combination of both.
Anthony DeWilde, OD, FAAO

Dr. Anthony DeWilde, OD, FAAO is a graduate of the University of Missouri – St. Louis, College of Optometry. In 2008, he completed a residency at the VA Medical Center in Kansas City, where he trained in ocular disease and low vision rehabilitation.

Dr. DeWilde is passionate about education and has taught in a variety of settings including educating residents at the VA, students at University of Missouri – St. Louis, College of Optometry, and optometrists at state, national, and international meetings.

Jay Haynie, OD, FAAO

Dr. Jay M. Haynie is a graduate of Pacific University College of Optometry and completed a residency at American Lake Veterans Hospital in 1993 where the focus was on the diagnosis and management of ocular disease.

He served as the Executive Clinical Director of Retina and Macula Specialists until 2018 after which time he joined Sound Retina in Tacoma Washington. He is an adjunct clinical professor at Pacific University College of Optometry, a Fellow of the American Academy of Optometry and a fellow of the Optometric Retina Society.

He is a clinical investigator and continues to be involved in clinical studies regarding retinal disease management, both as a principle and sub-investigator. He is a published author and has become a nationally recognized speaker on advances in technology and the management of retinal disease.

Kelly Malloy, OD

Dr. Kelly Malloy holds the rank of Professor at the Pennsylvania College of Optometry of Salus University, where she specializes in neuro-ophthalmic disease. She is the Chief of the Neuro-Ophthalmic Disease Specialty Clinical Service at The Eye Institute and Co-Director of the Neuro-Ophthalmic Disease residency program at PCO/Salus. She has achieved Diplomate status in this specialty at the American Academy of Optometry. Besides her clinical patient care responsibilities, she also teaches in the Head & Neck Anatomy, Neuro-Anatomy, and Neuro-Ophthalmic Disease courses at Salus.
CALL FOR POSTERS

Interactive Poster Session
WOA Fall Convention
September 28th - October 1 2023
Madison Marriott West

The Wisconsin Optometric Association is pleased to invite your participation in the Clinical Poster Session at the 2023 Convention & Annual Meeting. The interactive poster session will be held on Friday, September 29, 2023 from 3:30 p.m. - 4:00 p.m. and 5:45 p.m. - 6:15 p.m. Presenters must be available for Q&A during these intervals.

Posters based on unique clinical cases are currently being accepted. All case reports and research must be complete at the time of submission. All posters must be submitted in digital format by 15 August, 2023. The poster can be submitted by emailing brittanybeersod@gmail.com.

April 18-19 Spring Seminar
Marriott Madison West

April 18-21 Advanced Procedure Course
Marriott Madison West

Sept 26-29 Convention
Kalahari Resort
Wisconsin Dells, WI
**WOA Registration Information**

**Things You Need To Know About Registering for WOA Convention:**

- The deadline for early bird registration is August 18, 2023. The deadline for regular registration is September 20, 2023. No registrations are allowed after September 20 or on-site.

- All courses will be filled on a first-come, first-served basis.

- The registration form is printed on both sides; one side is “Full Registration,” and the other is “Partial Registration.” Please complete only one side of the form.

- There are two choices for registration:
  1. **Full Registration:** One fee, including your choice of meals and all education classes you would like to take. Please still select all courses and meals you will be attending.
  2. **Partial Registration:** You choose which classes and meals you want to attend, and each is priced separately.

- If you plan to attend all or most of Convention, Full Registration is the way to go. If you can only attend a day or two, your best option may be Partial Registration. If you do Partial Registration and the total is more than Full Registration, you may pay the Full Registration amount, even if you’re not planning on taking all the courses - just make sure to select which courses and meals you plan on attending.

- Incomplete forms will delay processing. Please make sure you have provided all necessary information, and type or print clearly on the form. **Even if you opt for full registration, you are still required to check off the meals and classes you plan on attending.**

- Payment must be included with your registration form.

- If you choose “Full Registration,” you must check which courses and meals you plan on attending. You will only receive tickets for classes and meals that are marked.

- Confirmation notices will be sent to all doctors who have registered, listing which classes and meals you have selected. This information will be sent via email to registrants.

- All classes, meals, and other functions require either a ticket or name badge for admittance.

- **No registrations will be allowed on-site.**

**Refunds**

- Doctors that sign-up by the registration deadline of September 20 and later discover they are unable to attend may obtain a full refund (less a $30 administrative fee and the cost of lunches ordered), if their written notice of cancellation is received in the WOA office by September 20, 2023.

- No refunds will be provided for cancellations received after September 20, 2023.

- All refund checks will be mailed after the Convention.
