

BLESSING AKINWALE

GPA: 2.82

**Briefly describe what
qualifies the candidate
for the award**

Blessing is an amazing leader, mentor, tutor, and advocate. She serves in many college and campus leadership roles which includes serving as Co-Vice President of the OU Health Sciences Center African American Student Association as well as the Chair of the MLK Day Celebration Planning Committee. These are just a couple of examples. She also serves as a tutor in our tutoring partnership with Frederick A. Douglass High School, a historically Black high school located five minutes from our campus. Blessing is truly a blessing to the OU College of Pharmacy and our local community!
