

Moriah Willis

GPA: 3.47

Briefly describe what qualifies the candidate for the award

Moriah is one of the most dedicated students I know both to her studies and to making a difference in the community! She serves in many leadership capacities both in our college and in our campus and was named to the Provost's Leadership Class in her first year. She has also served as a tutor in our Douglass High School tutoring partnership and is often asked to represent pharmacy on many campus committees, panels, and activities.

Moriah Willis

1110 N. Stonewall Ave • Oklahoma City, OK 73117
