

# TATIANA A. HINES

GPA: 3.3

Briefly describe what qualifies the candidate for the award

8-Nov-22	Tatiana	Hines	3.3	<p>As a student, I have prioritized advocacy, professionalism, and authentic leadership in addition to my academics. Colleagues and superiors have described me as being kind, reliable, diligent, a trailblazer, and selfless. I have served on a number of organizations including my university's free health community clinic. I am devoted to the profession of pharmacy, helping to advocate for minority students. I have a passion for organizational diversity and inclusion. Throughout my time, I have organized communal programming for underrepresented students, fostered the School's first recognized Black History Month, and lead an organization focused on bring more minority talent to the program.</p> <p>I have served on the SNPhA National Board for 3 consecutive years, now serving as National Vice President. In addition, I founded a social platform, The Pharma Collective, whose purpose is to bring resources and education al materials to minority pharmacy students interested in pursuing careers in the pharmaceutical industry.</p>

## EDUCATION

**UNIVERSITY OF NORTH CAROLINA, ESHELMAN SCHOOL OF PHARMACY** – Chapel Hill, NC Exp.  
May 2023 **Doctorate in Pharmacy** **UNIVERSITY OF NORTH CAROLINA AT GREENSBORO** - Greensboro, NC  
May 2019

### **Bachelor of Science**, Biochemistry/Pre-Pharmacy

- Founder/President, Phuture Pharmacists of UNCG Pre-Pharmacy Club

## INDUSTRY-RELATED EXPERIENCE

**BRISTOL MYERS SQUIBB** July  
2022

### **Extern, US Promotional Review**

- Reviewed proposed promotional HCP and consumer materials for Orencia® (abatacept) and an investigational asset created by Marketing, Sales, and Corporate Affairs teams in efforts of submission to OPDP
- Collaborated with matrix team members in marketing, medical affairs, legal, and regulatory affairs to smooth communication of clinical data in preparation for launch activities
- Presented project to medical department team on the treatment landscape of moderate-to-severe atopic dermatitis and key marketing analysis from respective sponsor companies

**GLAXOSMITHKLINE** Aug  
2021 - Present

### **Research Assistant, Pharmacovigilance (PV)**

- Develops parameters for a study to monitor a potential safety concern for a new product launch using social media data
- Fulfills a commitment of safe and effective products as part of the company's Drug Safety surveillance program and part of the basis for regulatory approval

**BEIGENE, LTD.** Jun  
2021 - Aug 2021

### **Intern, Global Patient Safety and Pharmacovigilance**

- Assisted in safety surveillance and signal detection of Brukinsa® (zanubrutinib)
- Presented on topics including inspection readiness, pharmacovigilance intelligence, and individual case safety report (ICSR) intake processes
- Created an ongoing repository of information for the PV team to serve as a collection of safety trends demonstrated at annual conferences

## THE PHARMA COLLECTIVE

May

2021 - Present

### **Founder**

- Collaborates with 3 student pharmacists to create a social platform designed for student pharmacists to explore future and current opportunities within the biopharmaceutical industry
- Creates promotional and educational materials on career paths, guidance on post-graduation preparation and skill-building that are dispersed to followers
- Facilitates over 10 educational webinars for students and pharmacists on a monthly basis (e.g. *What I Wish I Knew: How to Pursue a Career in Pharma*, *fellowship panel*, *What's the Function: Medical Affairs*)

## PHARMACEUTICAL ACCESS, INDUSTRY, & DECISION-MAKING (PAID) ALLIANCE

May

2021 - May 2022 ***Vice President of Industry Professional Development, UNC Chapter***

- Created protocol documents and operational initiatives in support of a brand-new organization with Industry Pharmacists Organization (IPhO) and Academy of Managed Care Pharmacy (AMCP)
- Coordinated over 8 professional development programs for student members interested in careers in managed care and pharmaceutical industry
- Managed 12 appointed student leaders with their respective projects and industry-related events

## INDUSTRY PHARMACISTS ORGANIZATION (IPhO)

Aug

2020 - May 2021 ***Regulatory Affairs, Value of Industry Pharmacists National Case Competition***

- Developed a regulatory strategy to maximize the likelihood of success in achieving FDA approval of a fictional, novel medicine that meets unmet medical needs
- Collaborated with teams of peers in clinical development, medical affairs, and marketing functional areas to develop a cohesive regulatory strategy for US market approval

## STUDENT HEALTH ACTION COALITION (SHAC)

Jun

2020 - May 2021

### **Medication Assistance Program Coordinator**

- Served the community's underserved patient population by assisting in the completion of pharmaceutical patient assistance program enrollment materials in efforts of accessing brand name medications for chronic disease states (e.g., asthma, diabetes, hypertension)
- Headed quality improvement project focused on the optimization of refill procedures for patients enrolled in the North Carolina Medication Assistance Program to improve adherence to prescribed medication regimens

- Communicated frequently with pharmacy, medicine, nursing, social work, and interpreting teams to identify eligible patients who can enroll in cost-saving programs for improved adherence and patient outcomes

## LEADERSHIP EXPERIENCE

---

### STUDENT NATIONAL PHARMACEUTICAL ASSOCIATION (SNPhA)

Jul

2020 - Present

#### ***National Vice President***

Aug

2022 - Present
