

## 2022 Deerfield Wreath Walk Guide

The following is a guide to wreaths that volunteers made to decorate the doors of Old Deerfield. This guide follows the wreaths on the street using a numbered system—please refer to the map included at the end of the guide for locations.

Materials for the wreaths were obtained from Kingsbury Christmas Trees, Gardener's Supply at Hadley Garden Center, and Clarkdale Fruit Farm. Staff and volunteers supplemented with locally-collected natural decorations. Wreath makers also reuse saved decorations from previous years.

New locations, including a few private owner's homes, were added this year. To assist in finding all the new houses included, street addresses are included.

SCAVENGER HUNT: Each door has a “mystery item” that corresponds to an item on the scavenger hunt list included with the pamphlet. The items on the list may appear as the mystery item on more than one wreath. When you find 15 or more items, turn your sheet into the Museum Store for a discount until December 21. For full details, refer to the Scavenger Hunt Sheet.
