

ALTAR SERVER REGISTRATION AND TRAINING

To Parents of (Catholic) Students Grade 4 through 8...

Our parish is in need of Altar Servers to help during our masses. We are hoping that your child will consider volunteering for this valuable service. Yes, it will require some devotion and dedication on your part to see that this ministry is fulfilled. If you are sending your children to Children's Faith Formation or St. Philip Neri School, you already possess the desire to see that your children are grounded in faith. This is one more step that lets them become involved in the Liturgy, helps them grow spiritually and will encourage families to attend Mass together.

We will have training in early October and would love to see as many youth as possible sign up. We especially need altar servers at St. Albert's so if you live close to the parish site, then please consider this as an option. We are hopeful that you will encourage your children to register soon. Please fill out below and return it to the office as soon as possible. For questions, please call the office at (510) 373-5200. Thank you!
