Hello Saint Philip Neri families!

I am so glad to return as the music teacher for my third school year. I want to inform you all about some changes that will be happening in my classroom. If you have any concerns or feedback, please feel free to email me at hburnett@csdo.org.

This summer after dealing with many health issues, I was blessed to receive a kidney and pancreas transplant. I am still recovering day by day and just so happy for this new gift of life. Because of the medications I take, I have a lowered immune system. Getting sick can be really serious for me. As a result, all students will be asked to use hand sanitizer before entering my classroom.

If your child has a runny nose or cough not due to allergies, they will be unable to attend music that day. I will have fun music activities on an ipad for them to do during class time in the office. If your child does in fact have allergies, please send a note to me and just make sure they keep tissue on hand and know to wash hands frequently. Thank you so much for your cooperation. Again, if you have any questions or concerns, please feel free to contact me and let me know.

Thank you,

Holly Shogbesan
Saint Philip Neri
Music Teacher
