

# Hearing Screening Team by Atrium Health Wake Forest Baptist

**Saturday, July 25<sup>th</sup>**

*Schedule and sessions are subject to change*

TSSUS is excited to share that complimentary hearing screenings will be offered during the 2026 TSSUS National Turner Syndrome Conference, provided by **Atrium Health Wake Forest Baptist**.

Screenings are available by sign-up only and will be offered on a first-come, first-served basis.

Adults and children of all ages are welcome to participate.

Each screening appointment is expected to last approximately **10 minutes**, but attendees should plan to be away from conference activities for up to 30 minutes total to allow time for check-in, screening, and transition time.

Please review the conference schedule by **clicking [HERE](#)**, before selecting a screening time, as your appointment may cause you to miss all or part of a scheduled session.

Meet the hearing screening team and learn more about their backgrounds on the next pages.
