What about Membership Dues?

With all the cancellation of Mardi Gras activities, many Krewe members are wondering what will happen to our membership dues? The answer is simple:

You will have the choice to either give this year's dues to the Krewe as a charitable donation OR you will be able to carry dues forward to next year.

Please note not all of your dues will apply. Some dues must be held to cover fixed costs such as insurance and storage. The final amount will not be known until late February. At that time, you will receive a letter letting you know the exact amount of dues to be donated or carried forward.

If you would like to learn more about this process, the Board has adopted a policy that can be found on the Krewe-only website under 'Policies and Procedures'. Any questions? Just write to zkrewe@gmail.com.

New Way to send Krewe Payments

Z Krewe can now accept payments via Zelle, an electronic method of sending money between bank accounts. Most banks and credit unions in the US are affiliated with Zelle and you can send and receive cash directly to and from your account. You will need to register with Zelle first and you do that through your on-line banking system. The best thing about Zelle, is there are no fees to send or receive payments. To get more familiar with Zelle and how it works, go to www.zellepay.com/how-it-works. One thing to note about Zelle. Only use this payment system with those you know and trust. Zelle does not use credit cards; hence, once you send the money, it is in the other person's account.

Zelle is a fast and easy way to make membership dues payments or any other payment you need to send to the Krewe. To issue payment to Z Krewe use the e-mail zkrewe@gmail.com . Please be sure to note in the comments what your payment is for.

Purpose of Need Links?

Heidi is now putting all the forms and links from the Newzletter on the members section of our website. The password has not changed since it was sent out late last year. The signup sheets are now posted on the website. You can go and make sure that you signed up for a committee.
