Re: MUR 2026-06 (In re Ralph Heap, Candidate for Arizona Corporation Commission)

Dear Executive Director Collins:

As you are aware, I previously filed the complaint in the above-referenced matter, which alleged that Ralph Heap, who has qualified as a participating candidate in the 2026 election cycle, failed to disclose disbursements for, and/or used unlawful funding sources to purchase, road signs promoting his candidacy.

As a supplement to the complaint, I have enclosed an itemized list of 184 locations around the state where signs that the Heap Campaign purportedly paid for have been observed ("Exhibit A"), as well as a map that catalogues their geographic distribution ("Exhibit B").[1]

Thank you for your attention to this matter.

Respectfully submitted,
