- For our confirmation program which begins today with a Confirmation Orientation Video and then will gather Wednesday night with small, outdoor bonfires in which we will reconnect and bring items for the freshman college packs
- For those who continue to support our church's ministry with their tithes, offerings and gifts
- For those who are bringing items for our college packs to go out to our church kids away at an uncertain fall, that they may be visible signs of God's love and our care
- For the Webteam as they seek to revamp our church website and offer an app to make our church ministries more accessible to all

Prayers for our World:

- For teachers and students as school begins this coming year that they may be given patience, strength and follow best practices so we can all stay as safe as possible
- For restaurant owners who are struggling to stay open and keep employees on the payroll
- For those who are living at Wellhaven and the Lodge at Comforts of Home both of which recently had outbreaks of Covid, may God look over them
- For National Guard units and members who are having to do multiple back to back deployments
- For those working for a vaccine for COVID-19, that God may speed their work
- For our leaders in government that they may work together to address our many pressing issues

Prayers of Thanksgiving:

- For Tim Bylander and his crew in the church nursery rebuilding a wall and make it look great again
- For those who have been so generous in providing church masks that people can take and use. Thanks to Jean Smith, Jennie Price, Suzanne Hagen, Lynn Linder, Vicki Hoffman.

For those grieving the loss of loved ones:

- For family & friends of Terry Tangeman (volunteer at Back Bay with whom our church groups have worked) who died recently
