Join us at this exciting event!

**Wednesday,
April 16, 2025
4–6pm**

**NECC
100 Elliot St, Haverhill, MA.
Room Conference Room
(TC-103)**

“Hi, my name is Therese LaPorte, and I am a proud self-advocate from Massachusetts! A few years ago, I attended the Threshold Program at Lesley University in Cambridge, MA. I am co-hosting this open house because I want to let people know that there are many options after high school—not just day programs. I also want to share important information with young adults and families and tell my own story. I hope you will join us!”
