

FAMILY SUPPORT CENTER

BASIC RIGHTS IN SPECIAL EDUCATION

Tuesday, April 14, 2026

1:00PM – 2:00PM via Zoom

Presented by: Johanne Pino from Massachusetts Advocates for Children (MAC)

This workshop will provide an overview of special education law and the supports and services school districts are required to provide so that students with disabilities receive a free and appropriate public education (FAPE). This webinar addresses legal standards, the special education process, parent and student participation rights, and evaluation rights.
