

GATHERING IS A GENEROSITY INITIATIVE WITH THE ULTIMATE GOAL OF MAKING DISCIPLES FOR GOD'S GLORY

– our vision –

GATHER · GROW · GIVE · GO

These four keywords have always been at the heart of Westminster. They capture our commitment to make diligent use of the ordinary means of grace to save and sanctify many souls. Stated clearly, we exist to Gather and Grow a worshipping community of disciples who Give of themselves and Go into their world with the gospel of grace for the glory of God.

– our opportunity –

By God's grace, we are on a trajectory to soon become a 500-member congregation. It is our conviction that our current facilities are insufficient to advance our strategic vision. Expanding our facilities and eliminating our debt will meet our current ministry needs and significantly broaden our disciple-making opportunities within God's Kingdom.

– our call –

Christ has given His church the solemn duty and joyous privilege of making disciples (Matt. 28:16-20). This work should be a consuming passion in our lives—a passion reflected in the generous stewardship of our resources. Please join us in asking God to give Westminster a generous spirit to provide not only for what is needed to make disciples today, but also for many generations to come.
