

You can step off
the path you are on,
and find a new path
to success.

Pace Center for Girls

No matter what you're dealing with, Pace Center for Girls is a safe place to learn, process, heal and begin again.

At Pace, we combine education, counseling, and life skills training to offer a comprehensive and individualized experience for success.

- Pace provides all services at **no cost**
- Individualized middle and high school education and counseling
- Caring staff, teachers, and counselors
- College, career planning and life skills coaching
- Personal goal planning to ensure progress

“

Before coming to Pace, I was just surviving. The support I gained at Pace helped me develop into the person I am today.

I am no longer just surviving; I am thriving.”

Dayna, Pace Alumna
