Dear _____,

Hosanna, A 501(C)3 NOT-FOR-PROFIT CORPORATION is determined to make a positive impact in the lives of young people through programs geared towards health, wellness and personal development. Our goal is to nurture those considered "at risk" into healthy lifestyles to become successful individuals within their communities.

We are hosting our FREE to the public family friendly annual "NO MORE FAMILY SECRETS" Conference 2pm-6pm Saturday, September 24, 2016 in Hallandale, Florida at the Hallandale Beach Cultural Center. The purpose of this event is to bring awareness to our communities and to give support to survivors of incest, molestation and rape. Our two-hour program consists of elected officials, local municipalities and celebrities (local and/or national) with entertainment. We invite nonprofit organizations to vend at this event to share their information with our audience too. The joyous outcome of this event will be to witness individuals release their shame and begin to heal! Our conferences always close out with our signature red balloon release celebration where all attendees are given balloon and ceremonially release them at the same time. The attendance was very high in the past, and this year we are expecting well over 300 children and families from the surrounding communities.

We would like your sponsorship, donate in-kind gift(s) and/or volunteer your time that can be used to aid us in making this a successful event. With your help we can ensure that families affected by incest, molestation, and rape transition into regaining their self-worth. Hosanna relies primarily on donations.

Our program, EXPOSED The Conversation is geared to breaking the silence and to discussing the taboo topic within families about incest, molestation, and rape. We believe by equipping families with the tools to talk about incest, molestation and rape it will help them acknowledge, heal, and take action. Our motto is to provide all E.A.R.S. (Education, Awareness, Resources and Support) to SURVIVORS and their families! Just think, if we can help an individual, we can reunite a family and revitalize our communities.

If you need additional information, please contact us at 954-962-6868 or via email hosannacorp@gmail.com.

Sincerely,

Angine Moss
