The Humanity Project Sponsors: Open Dialogues:...

The Foundry

Co-sponsored by the Humanity Project and SAVE, the film "Open Dialogues: Stories from the LGBTQ Community" will be shown at The Foundry in Wilton Manors. This will be followed by discussion and a short original theater presentation by Lesbian Thespians. Admission is free but a donation is requested at the door. (Covid protocols will be adhered to strictly, including proof of vaccination or a negative test plus masking for all attendees regardless of vaccination status.) Join us for this inspiring event, held in conjunction with the Art and Culture Center/Hollywood.
