

**Signal Centers**  
**Accessibility Awareness Summit**  
because accessibility is for everyone.

The 3rd annual Signal Centers Accessibility Awareness Summit will inspire transformative conversations about the inclusion of individuals with different abilities and accessibility innovations and ideas. This one-day, digital summit will present workshops from accessibility experts, educators, and leaders in the field.

The summit will take place on **Global Accessibility Awareness Day** Thursday, May 20th at 10:00 AM Eastern Time (US and Canada) via Zoom, LIVE from Chattanooga State Community College.

Due to the generosity of our sponsors, we are able to provide the Signal Centers Accessibility Awareness Summit for FREE to all participants.
