SHABBAT AUTHOR SERIES

***Gateway to the Moon* by Mary Morris**

In 1492, the Jewish and Muslim populations of Spain were expelled, and Columbus set sail for America. Luis de Torres, a Spanish Jew, accompanies Columbus as his interpreter. His journey is only the beginning of a long migration, across many generations. Over the centuries, de Torres' descendants travel from Spain and Portugal to Mexico, finally settling in the hills of New Mexico. Five hundred years later, it is in these same hills that Miguel Torres, a young amateur astronomer, finds himself trying to understand the mystery that surrounds him and the town he grew up in.
