Turning Two

With an intimate setting of two adults and just up to six children, this program is designed to develop independence and a sense of self as well as encourage socialization, help develop communication skills, introduce children to a school environment and prepare them for a "separated" nursery school experience.

We offer a developmentally appropriate play-based curriculum that stimulates the children's natural curiosity with: art, music, sensory play, fine motor activities, and hands on learning.

Tuition is \$1,800

For children born
September 2017-May 2018.

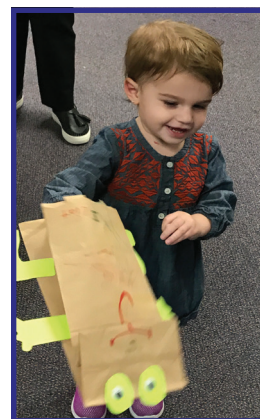

Tuesdays and Thursdays,
9:15-11:00 am beginning
February 2020.
