## Masorti Spring Mission to Israel

### May 17-23

---

#### What?

- A Masorti Foundation mission in Israel this spring to learn from -- and be inspired by -- the Masorti (Conservative) Movement.
- Meet dynamic Israeli rabbis and community activists who are building deeply-rooted Jewish religious life.
- Help create unity in the Jewish world by strengthening connections of Diaspora and Israeli Jewry through a mutual commitment to *Klal Yisrael*.

# Why Join Us?

- To understand the impact of the new Knesset and government on religious pluralism issues – marriage, conversion, Kotel, Kashrut -- in the wake of the April 9<sup>th</sup> election.
- See first-hand how Masorti builds egalitarian and pluralistic Jewish spiritual, educational and life-cycle programs for the 800,000 Israelis yearning for liberal **and** traditional Judaism.
- Meet next generation Israelis and see how Masorti's NOAM Youth Movement strengthens their Jewish, Zionist and leadership skills.
- See Masorti values in action ensuring that Israeli children and adults with disabilities, LGBTQ Jews, women and girls, and Masorti converts from around the world are included and welcomed.
