

BREAKFAST & LEARN with RABBI SHARGEL

The Bible in Song: Genesis

Many Israeli songwriters draw upon biblical themes. This year, we will explore a wide range of Israeli songs in relation to the biblical texts on which they are based, starting with the Genesis narrative. We will also examine selected rabbinic sources that address some of the same questions raised by the songs.

We will listen to recordings and live music, and discuss the songs in depth. Translations and texts will be provided, though students are encouraged to bring along their own copies of the JPS Tanakh. Enjoy a bagel breakfast in the early morning company of an intelligent, curious and welcoming group of adult learners.
