Torah Chanting For Beginners

Thursdays, 8:15–9:45 pm, TIC Room 21

This class is designed for those who would like to chant Torah as well as for those who want to be more knowledgeable about Torah chanting and the Torah service. This is a special opportunity to learn from Rabbi Miles Cohen.

Students must be able to read Hebrew at a basic level.

**Wednesdays
11:00–11:45 am
TIC Room 19**

Did you know that we can start wishing our friends and family members a “Shabbat Shalom” on Wednesday each week? Join Hazzan Shoshi Levin Goldberg on Wednesday mornings to sing, schmooze, and start preparing for Shabbat. We will sing old favorites and learn some new melodies. We will also talk about the meaning behind the melodies and what the prayers mean to us. All are welcome!
