

Main Service in the Milstein Sanctuary

If you are a family that is interested in having your child/ren become familiar with the feeling and the order of the Main service, please come and celebrate Shabbat with us in the beautiful Milstein sanctuary! The Main Service in the Milstein Sanctuary begins at 9:00am and the Torah Service, which is a part of the morning service, begins around 9:35am. On any Saturday morning, you will likely have the opportunity to observe a child becoming Bar or Bat Mitzvah during the service. The Main Service is an opportunity to pray together as a family with your larger TIC community and this service typically concludes around 12:00pm. Please come!

Children's Services

Our Children's Services are an opportunity for your children to experience *tefilah*/prayer with their age-level cohorts. Not only are these services age appropriate for your child, you may find this service a learning opportunity for yourself. Each of us is on our own individual Jewish journey and there are many steps along the way. We know that and invite you to come and learn. Our tradition belongs to each of us and Shabbat morning is a beautiful part of living Jewishly. Please come!

The following children's services (some of which have a Hebrew name) are available almost every Shabbat/ Saturday morning at TIC:

Tot Shabbat for children ages 0-5yrs old

- 11:00am-11:45am Lower Level in the Tot Shabbat space

Simḥat Shabbat (Shabbat Happiness) for children in Grades K-2

- 10:45-11:45am on the Lower Level in rooms D and E

Ruah on Shabbat (The Spirit of Shabbat) for children in Grades 3-5

- 10:45-11:45am in the Lower Level Conference Room

Join us...

We invite you, our Shorashim families to join us every and any Shabbat. We hope that you will give it a try. Your presence and participation will be a welcome and powerful enhancement to the already beautiful Shabbat morning experience at TIC. Did I forget to mention that the Shabbat morning experience ends with a delicious and plentiful kiddish luncheon for all? Please come!

We know that in order for our children to learn the Shabbat service and to learn the customs, norms and behaviors associated with Shabbat worship, we have to give them exposure to it. So please come!

If you have any questions or concerns about Shabbat morning at TIC, please be in touch with me or with our friendly and caring Director of Family Engagement (which includes Shabbat) Avi Marcovitz at a.marcovitz@templeisraelcenter.org.
