

The Pirates of Cancun Dinner Cruise

The sound of the cannons announces the beginning of the adventure, The Captain, your host and M.C. will present his crew and relate adventures of his travels, the fun begins with contests, dancing, a fun-filled pirate show and other exciting entertainment.

During dinner, Pirates will provide you with personal service and soft music while the Captain entertains with stories of past pirate escapades. Keep an eye out for another ship slowly approaching, cloaked in total darkness, pulling alongside our ship.

As the Captain discovers the presence of the enemy, he shouts for his men to take their battle positions, ready the cannons and fire. Pirates armed with swords and pistols jump from the masts landing on the deck where a sword fight ensues between our crew and the other Pirates.
