Re: Proposed Expansion of the Pueblo County Executive Committee

Date: January 20, 2023

In an effort to increase participation and promote inclusion in the Pueblo County Executive Committee, the County Rules Committee using a proportional formula based on district registration and minimum membership of 2 members, recommends and endorses the following:

| | |
|-------------------|------------|
| County Officers | 7 members |
| Chair Appointed | 8 members |
| Senate District 3 | 10 members |
| House District 46 | 10 members |
| House District 47 | 3 members |
| House District 60 | 2 members |
| House District 62 | 6 members |

Using this formula represents a membership of 46 members, an increase of 10 members from the previous allocation.

Please find the document below showing the current makeup of the County Executive and the proposed changes as they might appear in the latest county rules. Central Committee members will be asked to vote at the Reorganization meeting on February 4, 2023.

At its meeting on January 17, 2023, the Pueblo County Executive Committee unanimously endorsed the rules change and recommends its passage.
