

**FOR FAMILIES ENROLLED IN PRIMARY AND/OR ELEMENTARY ENRICHMENTS:**

Below please see the Board's direction with regard to tuition and fees for your specific programs.

**March Enrichment Fees**

We will not be making an adjustment to families' accounts for March's enrichment fees at this time. We plan to make up the classes missed from March 16<sup>th</sup> through March 31<sup>st</sup> in late April and May after we are able to reopen, once the Governor has released the closure order for K-12 schools.

**April Enrichment Fees**

Enrichment classes will not be held through at least April 10, and we will **NOT** charge families' accounts on April 1<sup>st</sup> for enrichment class fees for April. Final adjustments to families' accounts will occur in May once we know whether or not makeups are possible for the two weeks missed in March.
