Dear Villa Montessori Parent or Guardian,

Studio W Portraits is excited to partner with Villa Montessori again this year to provide school photos. At Studio W, we do things a little differently, and try to capture the essence and energy of each individual child or student. The annual school photo should be cherished, displayed proudly, and perhaps even make the family holiday card!

Here's what to expect from your school photo experience with Studio W Portraits:

- 1) **No Upfront Payments** Only buy photos you love (and after you see them).
- 2) **Photo Day** We bring contagious energy to the school on photo day! Our photographers are experts at interacting with each child/student to get true expressions. We always aim to get at least one smile, but you may also see funny faces or serious ones. Our goal is to capture your child/student as they are—not force a smile.
- 3) **Online Viewing and Ordering** About 2 weeks after photo day, you will receive an email with a direct link to your personal gallery. We hope viewing the photos brings you joy! In your gallery you will have the opportunity to purchase your photos. There are package options available, or you may purchase individual items. If you order within the first 48 hours your gallery goes live, you automatically receive a 10% discount!
- 4) **Photo Delivery** After your order is placed, digital files will be immediately sent to your email for digital download. Prints will be shipped directly to your home or mailing address.

If you have any questions or concerns, please let us know. We're here to help.

We look forward to seeing your child/student on photo day!!!
