

FEMA Providing Temporary Housing

FEMA is providing several temporary housing options for people affected by Hurricane Helene, including:

- Direct Temporary Housing: FEMA may provide transportable housing units, such as travel trailers or manufactured housing units, or lease existing residential properties for temporary use.
- Continued Temporary Housing Assistance: If you received two months of rental assistance and need more time, you may be eligible for an additional three months or longer.
- Multi-family Lease and Repair: FEMA may fund the repair or improvement of existing vacant multi-family rental properties for eligible applicants.

You can apply for assistance online at disasterassistance.gov, by calling 1-800-621-3362, or through the FEMA app.
