THE MISSION VOICE

FALL 2022

Adventures in  
**EQUIPPING  
LEADERS**

Hebrews 13:20–21

“Have an adventure!” This is what my husband often tells our three sons. Adventures in equipping leaders abounded for the five participants from our LWML LA-MS District at the 2022 Assembly of Leaders (AOL) in Saint Louis, Missouri, October 19 – 22, 2022. All the equipment and tools were joyfully provided to equip us, Rev. Boldt, Lauretta, Leslie, Liz, and Michelle, to be effective leaders in the LWML.

The adventures continue...as the five of us invite you to join in on the sharing of our abundant take home resource materials and information to further equip each of you to honor God by serving others. We have a plan to implement the sharing which will begin at the 2023 spring LA-MS District Board of Directors meeting to include building on our God given strengths, and the 2023 spring LA-MS District Christian Life Retreat featuring mission grants.

*Now may the God of peace who brought again from the dead our Lord Jesus, the great shepherd of the sheep, by the blood of the eternal covenant, equip you with everything good that you may do his will, working in us that which is pleasing in his sight, through Jesus Christ, to whom be glory forever and ever. Amen*  
(Hebrews 13:20–21).

Enjoy God’s peace and grace upon you,  
Michelle Zollinger,  
LWML LA-MS District President

**Read on for some reflections from Rev. Boldt, Liz, Lauretta, and Leslie:**

So where to begin? There were moments where I had flashbacks to the Summer of 2006 when I learned Greek through the proverbial firehose. There was a significant amount of information to absorb & retain in three and a half days, but it was a tremendous experience, nonetheless. It gave me an opportunity to interact with our District Representatives, Michelle, Leslie, Liz, & Lauretta, and start to get to know personally, along with their

*Colossians 3:17*

leadership strengths. It was my first experience to interact with other LWML Districts from around the country and see the love, joy, and commitment that they have as they seek to fulfill the mission of LWML. I was amazed to see and learn about the scope, breadth, & depth of the LWML’s Mission efforts through their mite offerings over their eighty-year history. Lastly, and perhaps most importantly, I, along with the rest of the LA-MS AOL participants, are looking forward to bringing back the things that we learned and experienced at this AOL Conference and putting them into action within our District to help each Zone, society, and member of LWML achieve our common Mission to “joyfully proclaim Christ, support missions, and equip women to honor God by serving others”

God’s blessings,  
Pastor Boldt,  
LWML LA-MS Junior Pastoral Counselor

The LWML Assembly of Leaders (AOL) was overwhelming, exciting, and very educational. We are excited to share all that we experienced over the next months. After completing a strength assessment exercise, we learned more about individual strengths and how to use them to improve our teamwork. We each attended six breakout sessions, heard plenary speakers, and were led in Bible study of Hebrews by the two LWML Pastoral Counselors. The sessions and speakers all began with prayer.

Colossians 3:17 tells us, *“And whatever you do, in word or deed, do everything in the name of our Lord Jesus, giving thanks to God the Father through him.”* This verse and the words from, *“With the Lord Begin Your Task”* (LSB hymn 869), encourage us to do just that.

The first verse of this hymn begins —  
“With the Lord begin your task; Jesus will direct it.  
For His aid and counsel ask; Jesus will perfect it....”

The hymn concludes —  
“Thus, Lord Jesus, ev’ry task Be to You commended;  
May Your will be done, I ask, Until life is ended.  
Jesus, in Your name begun Be the day’s endeavor;  
Grant that it may well be done To Your praise forever.”

Before we begin anything, PRAY that Jesus would be with us to guide and direct us.  
Liz Slothower,  
LWML LA-MS District Secretary

A seven layer salad is beautiful when you look through the glass bowl and see the pretty colors of the lettuce, tomatoes, cucumbers, red onions, peas, cauliflower (or hard boiled eggs), cheddar cheese, and bacon. Did you notice that was 8 layers? Each layer has its own unique flavor, color, and texture that adds so much to the salad. Unfortunately, the first people in the chow line, get some of the top layers of salad and the people at the end of the line only get lettuce. Why not mix it up? Why not get a taste of all the flavors? Isn’t that better for almost all of those eating salad?

Similarly, LWML members have different strengths or talents. If those strengths are kept to the individual's immediate surroundings, only a small group will benefit. When LWML members come together, and the individual talents and strengths are shared, a better, stronger team is formed. What is your talent, skill, or strength? How can you spread the Gospel using your strengths? Now is the time to apply those skills and find new ways to "*Serve the Lord with Gladness.*" Psalm 100:2

*For by the grace given to me I say to everyone among you not to think of himself more highly than he ought to think, but to think with sober judgment, each according to the measure of faith that God has assigned. For as in one body we have many members, and the members do not all have the same function, so we, though many, are one body in Christ, and individually members one of another. Having gifts that differ according to the grace given to us, let us use them: if prophecy, in proportion to our faith; if service, in our serving; the one who teaches, in his teaching; the one who exhorts, in his exhortation; the one who contributes, in generosity; the one who leads, with zeal; the one who does acts of mercy, with cheerfulness (Romans 12:3-8).*

**BEEing Prepared with Best Practices on Social Media**

It is so exciting to share the work our Lord is doing through Lutheran Women in Mission. As you share the work of your local LWML society and zone, please **bee** aware of a few key steps when you post to social media platforms. Three key steps are to **bee** prepared, **bee** active, and **bee** monitoring.

To **bee** prepared, you must understand the why, who, what, where, how, and when of the post. The why of a post is our LWML mission that we joyfully proclaim Christ and help others honor God. It is important that we know who we want to engage with our posts. Who are you trying to engage - young women, mature ladies, or culturally diverse people? Different post types (photos, stories, videos, text, Facebook live) appeal to different audiences and decide which type may better support the mission. Facebook live works great for Bible study. Some platforms appeal more to different audiences. Does your group or zone have a policy and strategy for sharing information on social media? If not, write it down especially for the person who will be serving in this role after you. Have a plan and schedules which will help **bee** consistent.

Now that you are prepared, **bee** active. Follow the plan you made and post often to let your audience know that you are constantly working toward the mission. **Bee** consistent with your strategy. Update the strategy to keep pace with changes in your audience or to focus on a different audience. Sometimes, the strategy was better in your thoughts than in use. Make those adjustments.

**Bee** monitoring your posts for shares and engagements. If it's not what you were expecting, maybe you need to revisit your plan and strategy. Your followers want to interact with you. Read the comments and respond as appropriate in a timely fashion. Remember to consult your pastoral counselors for scripturally based comments.

You'll-Bee busy **Bees** as you **Bee**-come "**Social Butterflies**" in today's social media world while carrying out the LWML Mission. For more information on LWML Social Media guidelines, go to <https://www.lwml.org/online>.

*Commit your way to the Lord; trust in him, and he will act (Psalm 37:5).*

Here in the New Orleans Zone, we are so grateful for a short respite from the heat and humidity. Our area societies are busy with community outreach efforts as we are still recovering from the effects of Hurricane Ida. Recovery needs are still many. We are so grateful for God's grace during our recovery efforts. We would like to share some of the community efforts locally.

Mt. Zion Lutheran Church continues to restore the sanctuary and provide Community outreach.

Holy Cross Lutheran Church continues to urge and support the endeavors of our LWML Young Women. They provided fellowship between generations on a Mississippi River boat ride.

*And let us not neglect our meeting together, as some people do, but encourage one another, especially now that the day of his return is drawing near.  
Hebrews 10:25*

The LWML meets every 2<sup>nd</sup> Sunday of the month. Here is a picture of this month's meeting. During our monthly meetings we also honor women who celebrate their birthdays. The Youth Group offered community support by:

- A school supply give-away including coats and mini sessions on violence prevention, mental health and social activities and food.
- On Youth third Sundays they sell hot dogs and nachos.

## **DISTRICT MISSION GRANTS : Fall Update**

### **Mission Grant #2 : The Food and Clothing Co-Op Concordia Seminary, Fort Wayne -- \$5,000**

#### **Prayers Requested!**

*Many grant proposals were not elected due to a limit in funding. Although we could not give them funds, we support them through prayers. As every day brings new reports of war and terror in Eastern Europe, let's remember to pray for the Faith and Hope Center in Novosibirsk, Siberia.*

At Concordia Theological Seminary in Fort Wayne, Indiana, nearly 60% of the students are married, second career with families.

When they decide to leave their jobs to come to the seminary, these students no longer have the same financial flow of funds as before, but they and their families do continue to have the same needs.

The Food and Clothing Co-op is currently able to supply from 80-85% of all food and household needs each month at no cost to the student.

Seminarians and their families volunteer to work at the Food Co-op each month. In exchange they are allowed one shopping day each week.

This \$5,000 grant will be used to purchase only perishable food items each month which are then given directly to the students and their families at **no cost**.

### **Mission Grant #3 : Financial Grant-in-Aid for Seminary and Church Worker Students -- \$5,000**

The LCMS provides education for its church

workers through the Concordia University System located across the country on 7 campuses and through two LCMS Seminaries.

Current costs of such education are extremely high and alternative funding from other sources is becoming more limited, thereby preventing some from completing their preparation for these church callings.

The LCMS Southern District currently has four young men studying to be church workers.

## LWML Southern Zone

The Southern Zone had a wonderful Fall Rally at the end of September, using the theme of **“Joy in the Journey”** based on *Romans 12:12-13, Rejoice in hope, be patient in tribulation, be constant in prayer. Contribute to the needs of the saints and seek to show hospitality.* As I am sure it is with each and every zone, rallies are a great time to revel in the chance to join with our fellow LWML sisters and share in a time of spiritual growth (for this we personally give thanks to Pastor Drosendahl), comradery, the opportunity to make new acquaintances and enjoy the company of long-time friends and, of course, business...a necessary good. Our most important business at this rally was to elect a new Zone President and Secretary. Happily, I was given the privilege of becoming the new Zone President and look forward to following in outgoing Southern Zone President Kathy Capace’s footsteps. Joining me on the board is Sarah Arthur, the new Southern Zone Secretary.

Kathy Capace stated, *“due to illness, I was unable to be at our Southern Zone Fall Rally; it was the last rally of my wonderful time serving as Southern Zone President. I am so proud of our Zone and the ladies made the Rally a wonderful success. Thank you, Ladies! Our Service Project was a necklace and cross. Each lady was to make two; one to keep and one to give to someone she already knows or will meet. The thought is to give it to someone struggling, showing her Jesus’ love and giving her the hope found in Jesus.”*

It has been a joy to watch Kathy as she has proven herself to be a wonderful Sister in Christ and leader; she met the challenge before her and has grown immensely. Although I am a past Southern Zone President (2009-2012), a lot has changed during that quickly passing decade. I pray, and ask for your prayers, as I attempt to face this opportunity for growth, both spiritually and personally.

Although the season of fall is upon us and is a great delight, there are days when we still feel like we are in summer. Great are the days when fall makes us feel cool and the air is crisp. What a delightful change each of the seasons brings and how we look forward from one to the next. From fall to winter, and the joy of Christmas. Even now our thoughts are beginning to stir and some of us are already looking forward to spring. Especially all that spring will bring us; like Easter and then the 2023 LA-MS District Spring Retreat. We are looking forward to the retreat and hope to see you all there as we meet each other again or for the first time. We join the District Board in inviting you to attend the retreat, April 28-30, on the beautiful grounds of the Wesley Center in Woodworth, Louisiana. So, we encourage you to register and gladly say, **“Let’s Grab Our Shoes and Go!”**

Laura Lips, LWML LA-MS District Southern Zone President

## 2023 LWML National Convention in Milwaukee, Wisconsin

**Theme:** *Celebrate the Lord of the Nations* **Date:** June 22–25, 2023

**Scripture Verse:** *Blessed is the nation whose God is the Lord, the people whom he has chosen as his heritage! The Lord looks down from heaven; he sees all the children of man (Psalm 33:12–13).*

**Goal Statement:** As His children, we celebrate the Lord of the nations.

**Objectives:** Convention attendees, understanding that we are all His children, will:

- Celebrate our Lord through Word and Sacrament.
- Honor God by serving our neighbors.
- Proclaim His message to the nations.

The Lutheran Women's Missionary League Vision Statement: *The LWML is the leading group for LCMS women where each woman is welcomed and encouraged to use her unique God-given gifts as she supports global missions and serves the Lord with gladness.*

## FROM THE VP OF ORGANIZATIONAL RESOURCES

I am honored to be the new Vice President of Organizational Resources and my plan is to incorporate the theory of getting 2 gifts and giving one to someone to share Jesus' love with our YWR - Young Women's Representative. I will try to link our zones letting each zone know what the other Zones are experiencing; the good things that work and the not so good that didn't go over well. I will also be available to help with each zone's bylaws. The Organizational Resources' task is to aid women with special abilities and talents to fill positions that will enhance her life and our LWML family.

Here are some readily available LCMS doctrinally reviewed resources, tools, and aids:

## FROM AROUND THE LWML LOUISIANA-MISSISSIPPI DISTRICT

**“WHAT’S YOUR 80?” with Holy Trinity Lutheran/New Life Lutheran in Covington/Folsom, LA**  
LWML is celebrating 80 years of God's Grace from 1942-2022. In thanksgiving for these 80 years, Holy Trinity/New Life women have chosen to sponsor local organizations monthly from July through December 2022, and collect items for them.

- In July we collected well over 80 school supplies for 3 schools.
- In August our recipient was Giving Hope Retreat, located in Lacombe, which is a faith-based organization for men that provides rescue from homelessness to recovery and reengagement into the community. We collected men's underwear and toiletry items.
- September-Discovery Renew, serving the needs of foster care or placed with court appointed relatives where we will collect diapers and pull ups, baby wipes, children's underwear and socks.
- October-Safe Harbor, serving survivors and their children who are victims of domestic abuse, collecting women's toiletry items.
- November- we are planning to highlight our military veterans, specifics to be determined.
- December-create cards plus a small ornament for shut-ins and nursing home residents.

God has richly blessed us and we are able to share God's love and grace with these recipients. Our congregations have been very supportive of our projects.

### **“WHAT’S YOUR 80?” with St. Paul Lutheran in Hammond, LA**

The women at St. Paul along with congregation members are doing numerous activities for their mission projects. They collected money to purchase Christian books for children in Ukraine through the Lutheran Heritage Foundation. They have pledged and extra \$80 to the district mites, \$80 to Forged by Fire and Kids Helping Kids, missions of The Village Lutheran Church, \$80 x 2 for the Stinnett family in Ethiopia, and a holiday event using old greeting/Christmas cards and repurposing them to create messages along with Mustard Seed Devotions for shut-ins.

These are some ideas for your societies to brainstorm how you can involve your sisters in Christ along with congregation members to focus on the mission of LWML; *As Lutheran Women in Mission, we joyfully proclaim Christ, support missions, and equip women to honor God by serving others.*

“What’s Your 80?” Looking forward to seeing your ideas.

Rhonda Jackson, Southern Zone VP

# WHAT'S YOUR 80?

1942–2022 — 80 Years of God's Grace

At the June Trinity Monroe LWML Society meeting, the women made 80 greeting cards with a personal message of gratitude, prayers, and blessings to be giving to Military chaplains to distribute to members of our USA Armed Services personnel.

Michelle Zollinger, LWML LA-MS District

## NORTHERN ZONE

Christ Lutheran, Shreveport, LA

**For our 80, the Daughters of Christ committed to collecting and donating socks.**

Socks are the most requested item at homeless shelters, so we decided that we would help fill that need by collecting donations throughout Summer 2022.

**Goal: 80 Men's Socks, 80 Women's Socks, 80 Children's Socks**

In August, we delivered the collected socks to the Shreveport-Bossier Rescue Mission to be used to help the homeless in our community.

## RETREAT:

*Verb – to withdraw to a quiet or secluded place*

*Noun – a quiet or secluded place in which one can rest and relax; a period of seclusion for the purposes of prayer and meditation*

In this world of take charge attitudes and pressing toward the future, we often think of the word “RETREAT” as a sign of failure. It makes us think of giving up or hiding away to lick our wounds. In the military, it can sometimes even signal cowardice. As Christians, however, we need to reevaluate the term “RETREAT” as a source of strength.

Take a look at the definitions at the top of this article.

“RETREAT” is really about three key components: quiet, rest, and prayer.

At this time of year, especially, it is easy to become overwhelmed. We all have church activities, school activities for the kids, holiday plans, family coming to visit, Christmas gifts to buy, decorations to put up, and the list just goes on. It is at times like these that we can really appreciate those key components of a “RETREAT”. Lucky for us we have one available in a few months on April 28-30, 2023.

The 2023 Spring Christian Life Retreat is all about focusing on our spiritual journeys. It is a chance to join with our LWML sisters to focus on the Word, share encouragement, and meditate on our relationship with God. Taking place at the beautiful Wesley Center in Woodworth, LA there will be plenty of opportunities for quiet, rest & prayer, but also a good helping of fun and fellowship. We will have Bible Studies and nature walks, quiet contemplations and exciting activities. In short, the Christian Life Retreat promises to be a wonderful opportunity to get away and strengthen your walk with the Lord.

So when you hear the word “RETREAT”, I remind you not to think of collapse, but of growth. “RETREAT” isn’t about giving up; it is about recharging. A “RETREAT” isn’t about failure; it is about reevaluating and renewing our purpose. A “RETREAT” isn’t about cowardice; it is about rebuilding our foundation so that we can stand firm. As Christians, we know death is not an ending but a path to rebirth in Paradise; likewise, for us to withdraw from the world in “RETREAT” is not giving ground, but an opportunity to nourish and build up our roots so that like Luther we can face the world and say, “Here I stand; I can do no other.”

**As such, while some might attack with shouts of “Charge”, I would joyfully stand on the rooftops to yell “RETREAT!! RETREAT!!” “RETREAT” to God’s refuge, our mighty fortress, where we can be still and know that he is God. (Ps 46 paraphrased)**

Therefore, I challenge you to build excitement and make plans to attend the 2023 Retreat; start talking about the retreat and put together a group to travel together. There is even a skit available on the district website to help raise interest. Get your registration in early. (The first 30 registrants will receive a bonus surprise.) Forms are available on the district website and in this newsletter. You might even ask your loved ones to make this your Christmas gift. It has been nearly 6 years since we had an in-person Retreat; let’s make this one to remember!

I have so much more about the 2023 Retreat that I am excited to share with you, so look for more details to be available over the coming months. Use the flyer on the next page to advertise the retreat at your church!
