“LIVE FROM THE BARN AT
LEVON HELM STUDIOS”
A Hanukkah 2020 Holiday Concert

Dear Friends,

Big News! As we are about to enter the coming months of winter, we wanted to do something special to bring us all together in time for the holidays this year. So... next month we'll be getting back together with the full band to perform a one-time only **Hanukkah show for the holidays**, in exclusive streaming partnership with **NUGS.TV!**

This special evening of music will be live-streamed on December 12, 2020 from **The Barn at Levon Helm Studios in Woodstock NY** and the concert will feature original material as well as a selection of hand picked classic bluegrass tunes, songs from Bob Dylan and The Band, and a few of Woody Guthrie's timeless, and not often performed Hanukkah songs.

You are ALL invited to the show!! Tickets are available now! ;-) xoxo
Individual Tickets are available for purchase **HERE**.
Special group rates for communities/synagogues **HERE**.

We hope you can all make it to the show!!
Its going to be so special and we cant wait.

We love and miss you!!
