

# WELCOME TO OUR NEW CCLS MEDICAL PROFESSIONALS

**NIKKI**

Hello! My name is Nikki, and I look forward to serving CCLS and our community, as the nurse at the Elementary and Glendale campuses. I am a Saint Louis native, and my family attends Webster Gardens Lutheran Church. We have 3 daughters at CCLS, two entering 4th grade and one 7th grader. I obtained a Bachelor of Science in Nursing degree at Maryville University, graduating Summa Cum Laude, as well as my Business degree from Webster University. Formerly, I was employed as a Registered Nurse on a Labor and Delivery unit, with a specialty in high risk obstetrics. During my time as a Labor and Delivery RN, I was nominated for a Daisy Award, and was a member of the Unit Practice Council, which included representing the unit in sepsis protocol meetings. Having a familiarity with the school and our families, I am grateful CCLS has entrusted me to provide safe and competent care for your children this year. In my personal time, I enjoy

all things fitness, cooking, reading, puzzles and competitive game nights with my husband and daughters. On campus, you may find me organizing the Kingdom Quest bins for church, helping at Cross Country practice, coaching the 4th grade basketball team or cheering on the middle school basketball teams.

In Christ,  
Nikki Ochs, BA, RN, BSN

**WHITNEY**

Hi! My name is Whitney Shamp and I am a mom of 3 under 6, nutrition specialist and physician assistant. I graduated from Wake Forest University School of Medicine in 2009 with my Masters in Physician Assistant Studies. I spent a year in Orthopedics and quickly transitioned to Cardiothoracic Surgery where I spent 5 years working for a busy practice in the operating room and hospital setting. I spent the last 4 years practicing in Neurosurgery in Charlotte, NC. During that time I practiced for the largest Neurosurgery practice in the country and worked with pediatric & vascular neurosurgery as well as trauma patients. My family moved to St. Louis in January of 2020 and quickly found CCLS. Since moving to St. Louis, I've been volunteering with the High Risk Task Force in St. Louis County for the COVID Response. Although we were sad to leave our families in Charlotte, we have absolutely loved the CCLS and Kirkwood community. I'm so excited to be a part of the CCLS team and to be a resource for you and your kids this school year!

Whitney Shamp, PA-C
