Felettig Chambolle-Musigny Premier Cru 2017 7-Bottle Pack

Good morning,

I am often asked which of our domaines do I like the most or put into my personal cellar. There are quite a few but one I always ensure I have is Domaine Gilbert and Christine Felettig. They were an early discovery for me and since that time their reputation has rocketed. They are now very firmly one of the new superstars of Burgundy.

What I like most is their Chambolle-Musigny Premier Crus. They have a range that is unmatched – 7 different single vineyard wines including most of the finest sites plus rarities like Les Carrieres of which they are the domaine to bottle.

We have our allocation and still have a tiny quantity of the brilliant 2017's available. They have been glowingly reviewed by both Jasper Morris and Neal Martin.

If you are a fan of Chambolle-Musigny this really is a must-have domaine.

We present the wines in a 7-Bottle Tasting Pack:

Chambolle-Musigny 1er Cru Les Charmes
Chambolle-Musigny 1er Cru Les Carrieres
Chambolle-Musigny 1er Cru Les Combottes
Chambolle-Musigny 1er Cru Les Fuees
Chambolle-Musigny 1er Cru Les Feusselottes
Chambolle-Musigny 1er Cru Les Lavrottes
Chambolle-Musigny 1er Cru Les Gruenchers

Landed Price will be \$1611.75. Pre Arrival Price is \$1369.95 Per 7-Bottle Pack.

If you would like a Pack please get back to me quickly as we only have a few left to sell.

Kind regards,
Darren
