**Supportive Housing Highlight**

In honor of Labor Day, we're highlighting the incredible work of one of our long-time Advocacy Members, Stephanie Arnold with **Virginia Supportive Housing (VSH)**. We asked Stephanie a few questions about her role at VSH, her connection to BIAV, and why she feels advocacy is important for our community. As an advocate and professional in the brain injury community for almost 20 years, we're so grateful for all the work Stephanie and VSH has done to improve the lives of people with brain injury.
