"LAUDATO SI: A UNIQUE ENCYCLICAL WHICH CHALLENGES THE INDIFFERENCE OF MUCH OF THE WORLD TO ENVIRONMENTAL DEGRADATION; TODAY'S MOST IMPORTANT HUMAN CRISIS!"

Laudato Si is the only Encyclical with a vernacular title (Italian) rather than Latin. While most Papal Documents are addressed to the Bishops of the Church or the Lay Faithful, Pope Francis addresses this message to ALL people. The title comes from St. Francis of Assisi's famous hymn. "The Canticle of Creatures" and its goal is to enter into constructive dialogue with ALL people about preserving and protecting our common home.

- The Background and Outline of *Laudato Si*
- The Gospel of Creation and the Human Roots of the Ecological Crisis.
- Integral Ecology and the Lines of Approach and Action.
- Ecological Education and Spirituality Reflection on where we go from here? Our objective is to 'Save our Common Home and The Future of Life on Earth'.
