Dear Chicago Friends,

With the united support of local Rabbonim and community lay-leaders, we are once again launching the Chicago Purim Fund Matanos Levyonim campaign for the eleventh consecutive year. Boruch HaShem, cumulatively, in the past ten years, over \$1.8 Million were distributed, enabling us to provide much needed relief to hundreds of families from all walks of life, right here in our community.

It is no secret that many hardworking families in our community suffer from the lack of basic household necessities. Some of these families often send their children off to school hungry, without a lunch, or even the most basic outerwear to keep them warm during the winter. Simple things we take for granted, are for them, tension fraught ordeals.

All of their stories and predicaments are heartbreaking. By uniting, we can help alleviate their burden. By donating generously to the Purim Fund you can make a difference. The funds are discreetly distributed on Purim day in a most honorable manner, by a committee of distinguished, selfless Rabbonim who have agreed to take an active role in the campaign and the distribution of the funds.

In the zechus of the great mitzvah of supporting Aniyei Ircha may we all be zoche to spend Purim together this year in Yerushalayim, with the speedy coming of Mashiach.

Imagine this...

*We leave the doctor's office reeling from the diagnosis.
How are we to cope?
The mere thought of the months of treatments ahead
sends us falling into a deep emotional abyss.*

*Our fridge has been bare for many months. We are thankful
that we have a roof over our heads but lately it feels like that
is all we have. Our kids do their best to pretend that we're
just another family on the block, but people know otherwise.
Where can we turn for help?*

*As everyone around is busy putting together costumes
and themes for Purim we are trying to figure out
how to keep the heat on for Purim in our home...*

Dear Friends,

Founded in 2009, the Chicago Purim Fund is a united effort of Rabbonim and community lay leaders committed to playing an active role in helping the silently struggling members of our community.

Having distributed on Purim over \$1.8 Million in the past ten years, the Purim Fund has already made a significant impact. Thanks to the unique structure of the Purim Fund, its extensive volunteer base and corporate sponsors, the Purim Fund is able to operate as a no-load fund. That means that **One Hundred percent of your much-needed gift will reach its recipient.**

As Purim approaches, the needs of our friends and neighbors are greater than ever. By partnering with the Purim Fund you are making a difference!

Chicago is a city world renowned for its generosity, yet unfortunately many families in our community continue to suffer.

Please open your hearts and contribute generously to the Purim Fund, while being *Mekaim* your *Mitzva* of *Matanos Levyonim* in a most desirable manner.
