"Can You Help Us Get New T-Shirts This Summer?"

They are not just T-shirts, they are our uniforms for the whole year!

GREAT COMMISSION PARTNERSHIPS network

"Obrigado Jesus" *translates into English as "Thank You Jesus."*

That is the message we are taking back to Brazil this July 19-29, 2026 with two different VBS / sports camps serving two different church plants in the Celebration Church Planting Network.

We will also be serving Voando Alto Ministries in Saquarema, where more than 100 kids are excited for us to come this summer with Bible stories, games, new T-shirts and bouncy balls!

It may not seem like much, but the T-shirts will serve as their uniforms for the coming year, and the bouncy balls are something they can take home as their very own.

Thank you for your prayers and support.
