

Introducing Rachel Corlett, your new House of Colour Consultant Isle of Man

Q What season and CP are you?

A I am a Romantic Classic, Blue Spring.

Q When did you discover HoC?

A I first heard about “having your colours done” when watching “Bridget Jones Diary” when Bridget’s mum had her colours done in Debenhams one afternoon. I was introduced to House of Colour through my Mum in 2010. I attended an introductory evening Dot hosted, I was fascinated and signed up to my colour class that night.

Q What difference has HoC made to you?

A It has changed my life. House of Colour has given me the confidence I never had before and helped me be me.

Q Favourite colour?

A Where do I start! All my wows?? Or is that cheating. If I had to pick one, it would have to be turquoise. It has been a favourite colour my whole life, HOC has taught me why.

Q Favourite outfit?

A I loved what I wore to a friends 40th birthday party just before our third lockdown. It was classy, elegant yet casual with my required spring colour pop and my favourite accessory – a coloured handbag! (Photo attached which can be included).

Q Favourite HoC product?

A Um... This is a tricky one. It’s definitely a close call between lipstick and my colour wallet! I use lipstick everyday, and carry my wallet with me every time I go shopping. Both fantastic products and any HOC client’s best friends.

Q Favourite lipstick?

A I think it has to be L611 – Karen’s Spring Pink. I have been wearing this as my pink point of red since I had my colours analysed over 10 years ago.

Q Why did you decide to become a HoC consultant?

A Because I love HOC. In recent years, I got into a rut with my style and colours, something the pandemic has made me realise. Over the last 12 months I have rediscovered my colours and style. I had forgotten how fantastic wearing the right thing and feeling me was. I want to be able to help other people look great and feel amazing in their own skin. It is a real honour and privilege to be able to train with and join such a globally recognised and respected company.

Q Where is your studio?

A At my home in Ballaugh. Watch out on my Facebook and Instagram pages for photos or maybe even a video of my finished studio – I’m very excited to be able to share it with you.

Q What do you do when you aren’t doing HoC?

A I am an accountant by day, working in a finance company in Douglas. My other job is wife to Richard, Mummy to 6 year old Ben and home keeper.

Q What do you love about the IOM?

A The Isle of Man is a beautiful place with beautiful people. I feel very lucky to have such stunning countryside on my doorstep, and know that 1 day we can be exploring the plantations or hills and the next be at the beach. I think the only negative I have about the Isle of Man is the lack of shops! I wish I could shop local for my wardrobe to give the business on Island, but unfortunately online seems to win.

Q How long have you lived in the IOM?

A I have lived here almost 21 years. I moved here in August 2000 with my parents and sister, having grown up in Yorkshire.

Q And finally what are your contact details for IOM HoC clients?
