Adopt a Room

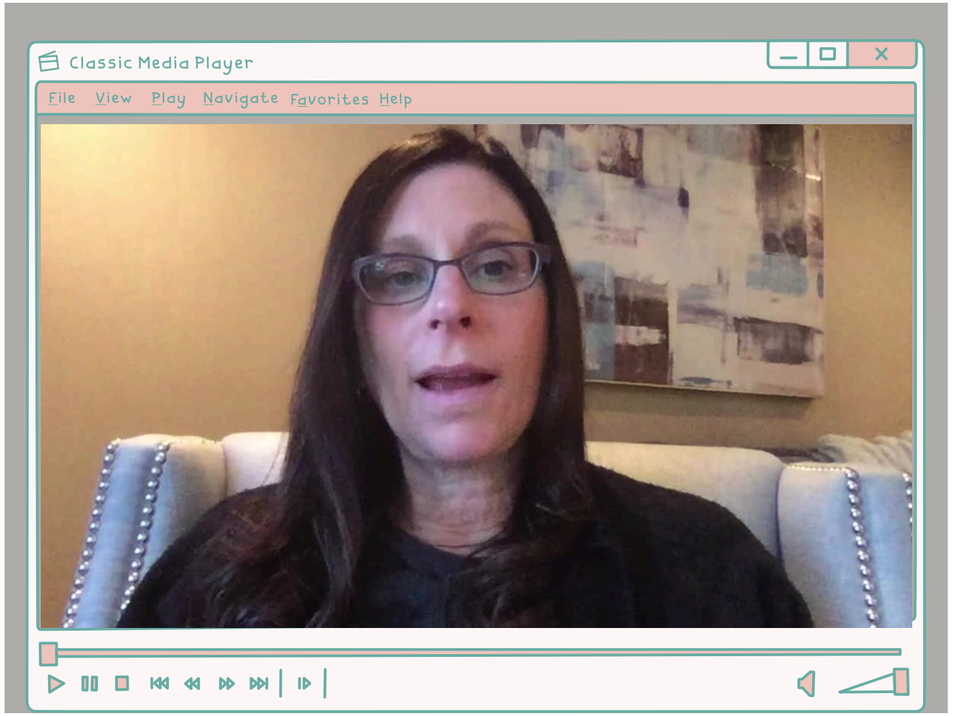

Hi there!

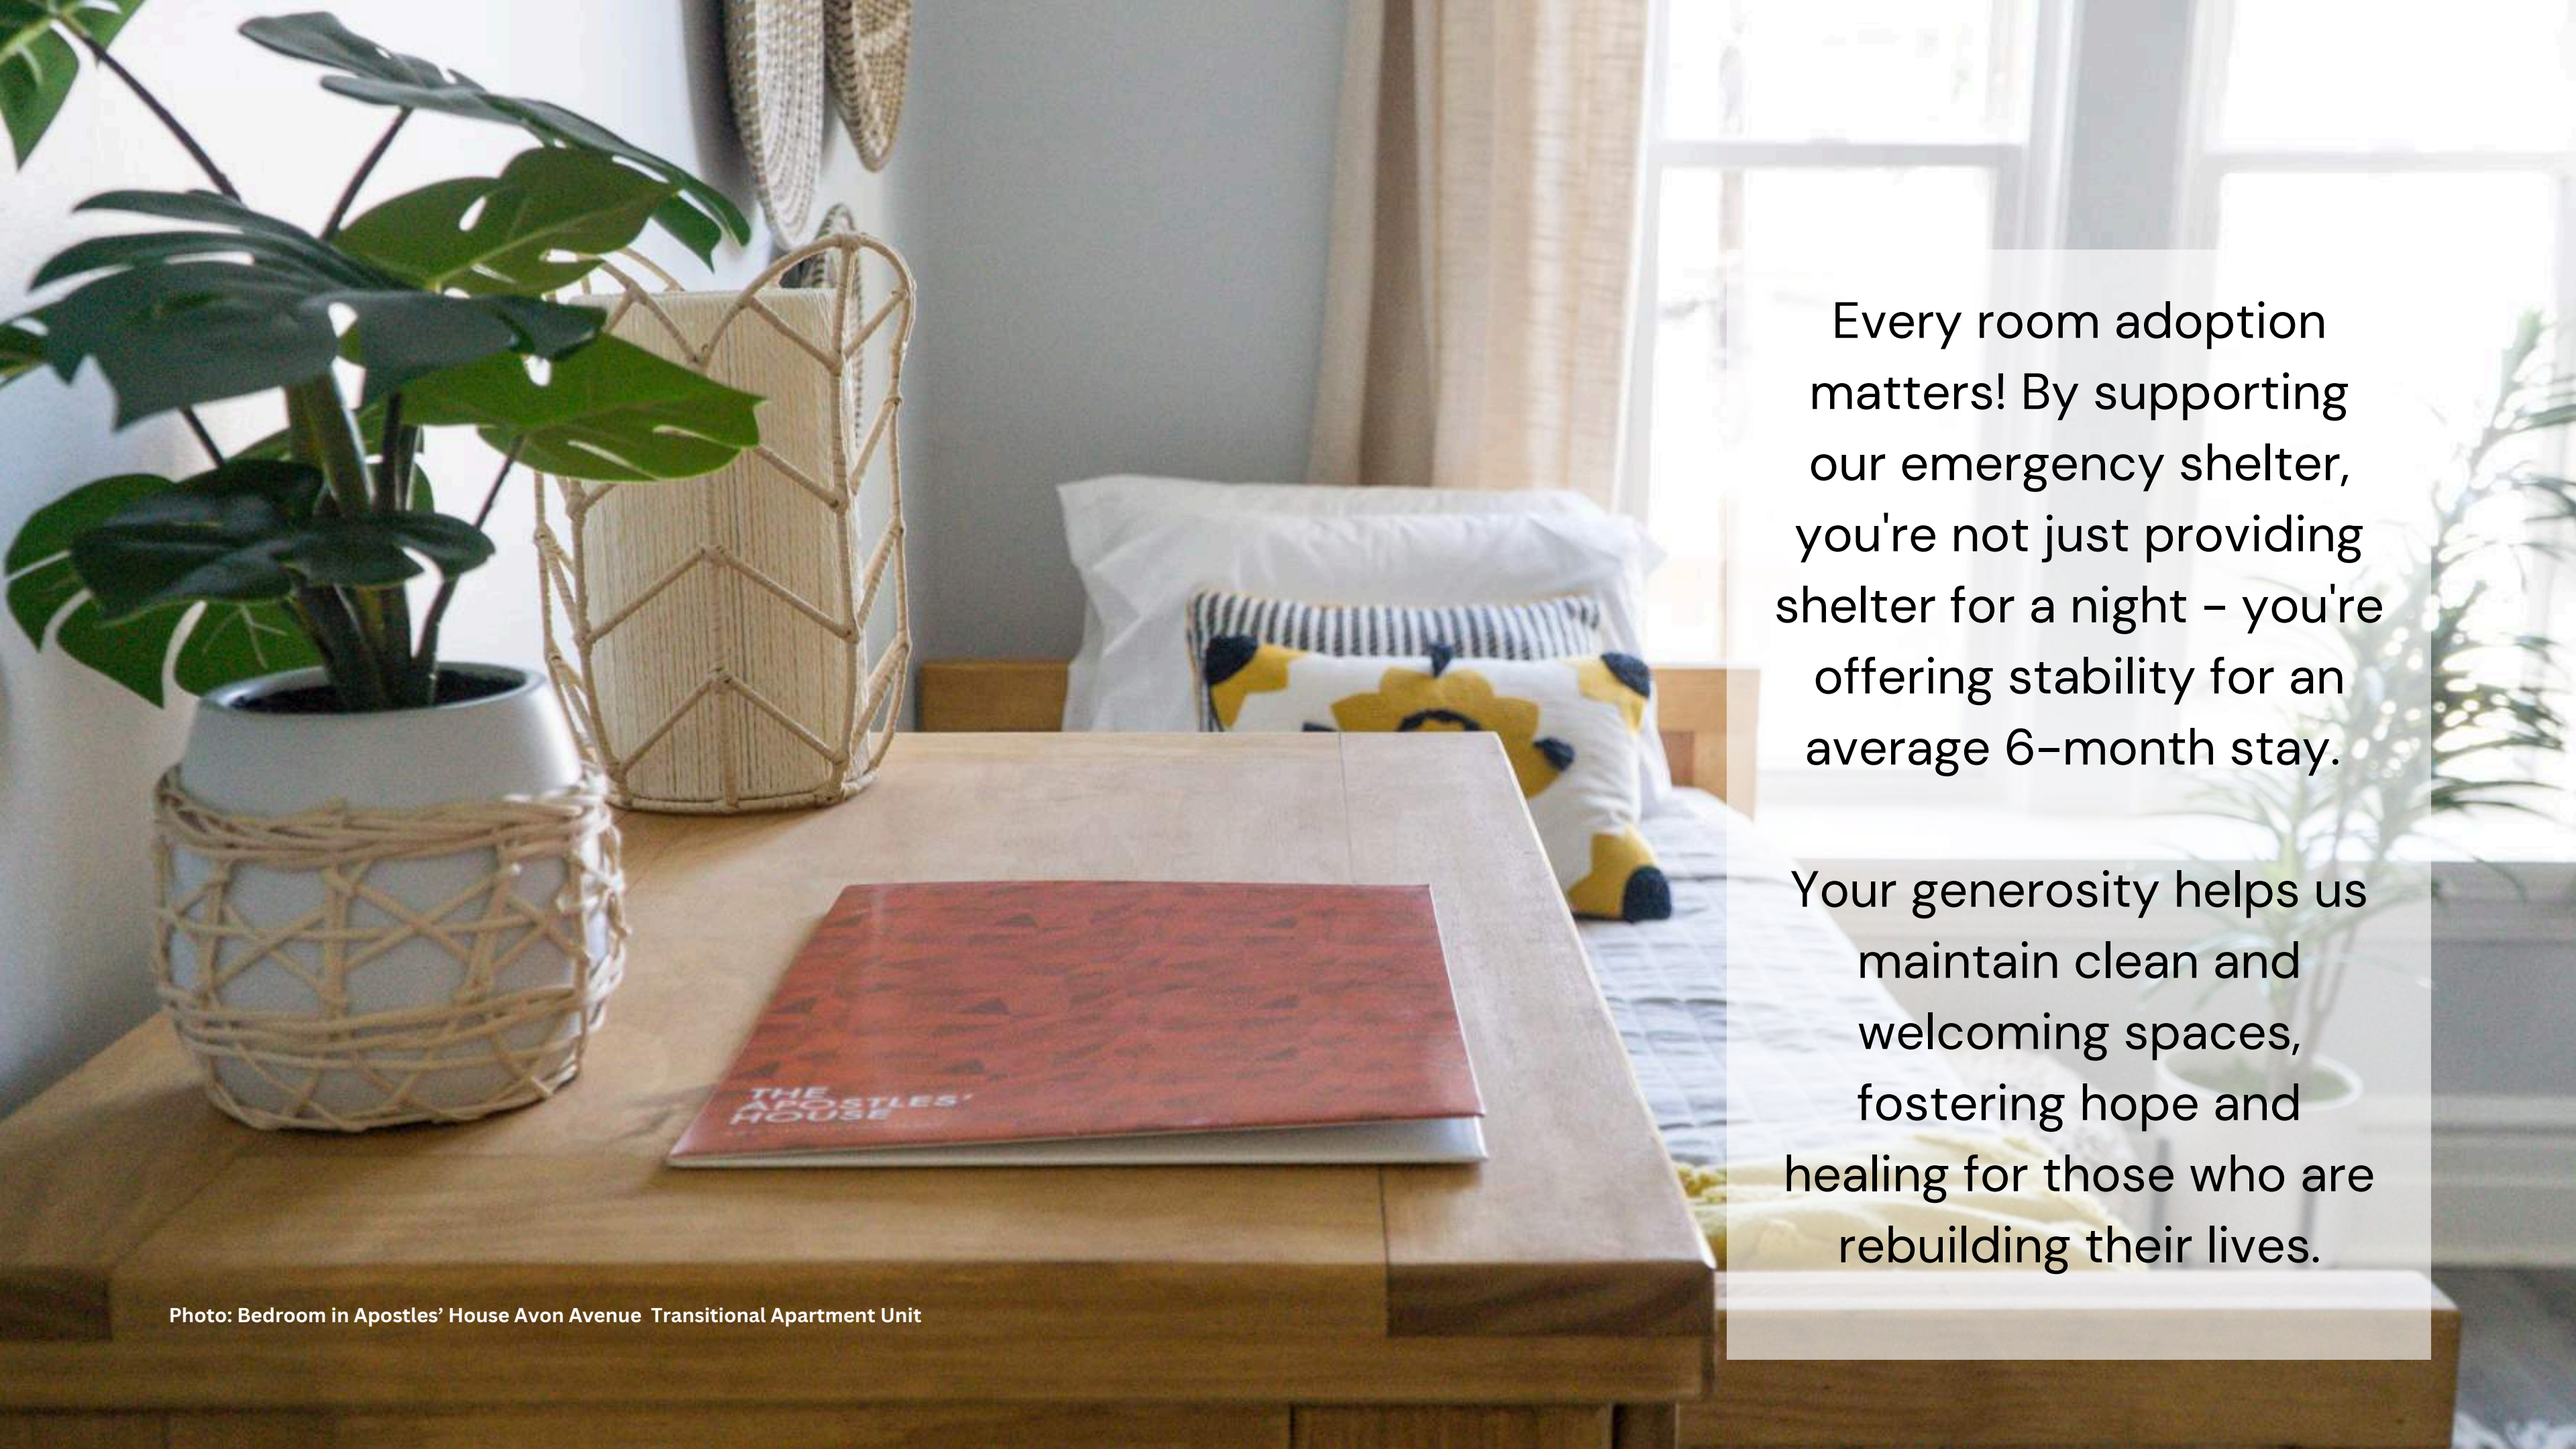

I'm Nadege Duvernay, TAH's Executive Director, and I'm thrilled to share with you our Adopt A Room Program here at The Apostles' House! We're not just an organization, we're a community of people dedicated to creating safe and dignified living spaces for those in need.

Our Adopt a Room Program started in 2021 as a way to engage our supporters and give our spaces the much-needed updates they deserve. The response was overwhelming, with individuals, organizations, and schools coming together to create comfortable living spaces for unsheltered mothers and their children.

The program was incredibly successful, and we're excited to announce that we're employing it again! This time, we're renovating our 16-18 Grant Street facility in Newark, and we want you to be a part of it. By adopting one of our rooms, you'll be making a meaningful impact in the lives of those who call it home.

Hear from one of our Adopt a Room sponsors, Rachel Beck

Every room adoption matters! By supporting our emergency shelter, you're not just providing shelter for a night - you're offering stability for an average 6-month stay.

Your generosity helps us maintain clean and welcoming spaces, fostering hope and healing for those who are rebuilding their lives.
