**Hampton Inn and Homewood Suites Silver Spring Washington DC Complete Property-Wide Renovations**

**SILVER SPRING, Maryland – 10/30/2020** – [Hampton Inn Silver Spring Washington DC](#) and [Homewood Suites Silver Spring Washington DC](#) have completed renovations that span both Hilton properties. The renovations included updates to the meeting spaces, fitness facilities, and dining areas. Hampton Inn Silver Spring Washington DC and Homewood Suites Silver Spring Washington DC are owned by Civitas Capital Group and operated by Aimbridge Hospitality.

“We take pride in providing our guests with a memorable travel experience backed by the latest innovations and amenities in hospitality,” said General Manager, Afiya Owens. “These renovations demonstrate our commitment to guest satisfaction and alignment with the standards of these category-leading brands.”

Updates to the hotel fitness facilities included removal of the pool. The new space was used to create an Olympic-sized gym with modern equipment and plenty of room for guests to spread out and stay active during travel.

The properties are now more equipped than ever to host inspiring events with the addition of 2,460 sq. ft. of shared meeting space across two venues. Each event room features modern decor, flexible setups, and Hilton CleanStay cleanliness measures.

Spirits, wine, and craft beers will be available in the evenings at the new lobby bar, opening January 2021. The new social space offers an inviting atmosphere for networking, regrouping with travel companions, and relaxing after a productive day in the DC area. Free breakfast is served daily at both hotels.

The guest rooms were given new lights, window treatments, carpet, and wall coverings. The renovations also include upgrades to the guest bathrooms which now feature new lights, mirrors, and wall coverings. These modern, comfortable accommodations give guests easy access to Washington DC via the Metro Red Line.

These renovations, completed in September 2020 at Homewood Suites Silver Spring Washington DC and November 2020 at Hampton Inn Silver Spring Washington DC, are part of the brand's passion for providing guests with an exceptional experience that extends from friendly service to modern facilities.

Hampton Inn Silver Spring and Homewood Suites Silver Spring are part of Hilton Honors®, the award-winning guest-loyalty program for Hilton's 18 distinct hotel brands.
