

HB21-1222 Regulation of Family Child Care Homes-passed and has been sent to the Governor's office for signature. What does this mean?

It means that FCCH will be classified as a residence for purposes of licensure and local regulations, including zoning, land use development, fire and life safety, and building codes. The bill also adds a provision stating that whenever the state department of human services reviews and rewrites its rules concerning child care agencies or facilities, it shall seek advice from the department of public safety when such rules relate to specific types of child care agencies or facilities.
