

Westminster Free Clinic's Backpack Project 2026

Dear Friends of Westminster Free Clinic,

I would like to thank you for your past donations in support of Westminster Free Clinic's (WFC) Backpack Project, which aims to ensure that low-income children in Ventura County are ready to learn when they return to school in the fall.

Last year, thanks to donors like you, we distributed backpacks and school supplies to close to **1,500** children. This year, we aim to reach additional children! I hope we can count on your support!

Gratefully,
Lisa Safaeinili, Executive Director
