Conference Information

The Connecticut Academy of Physician Assistants Charter Oak Conference (COC) is one of the premier PA conferences in the country. The COC has built a reputation for the quality of its programs, faculty and attendees.

We have an exciting lineup of lectures covering a wide range of clinical topics.

PAs can claim their certificate/credits after their evaluations have been completed.

We invite our nurse practitioner colleagues to join us. APRNs may claim AAPA Category 1 CME credit as continuing education with AANP and ANCC. ConnAPA recommends APRNs check with their certification/licensing authority to confirm that AAPA credit is acceptable.

Full program, registration form and hotel information is available online at www.connapa.org
