

March 24, 2020

Dear Chefs For Seniors Community,

We are writing to let you know that we are converting our business to include a **non-contact delivery** option for our clients. We are also making some other changes in lieu of COVID-19.

Our new operations will include:

Delivery to Home

We can prepare the food in our kitchens, package up the meals, and deliver them to your front door. We will ring the doorbell and leave the meals and any additional groceries at the door.

Extra Grocery Shopping

Our chefs are prepared to buy all other groceries for our clients, so they do not have to go to the grocery store and possibly expose themselves. We will pick up things like cereal, detergent and other goods we would not typically purchase. This is so our clients aren't needlessly exposing themselves to the grocery store germs.

Additional Safety Precautions

We are taking safety precautions including masks, gloves and plastic shoe covers to ensure we are cooking in the safest way possible for our clients.

Chefs For Seniors is prepared to serve our seniors however they feel most comfortable. Stay healthy, and let us know if there is anything we can do to serve you or the community.

Sincerely,

Seth Lefberg

Franchise Owner, Chefs For Seniors
