Over Forty Years of Friendship & Community Service Ending Childhood Hunger Volume 149, August, 2023

President's Message Gary Draper, President

2023 President, Roosters & Roosters Foundation

I am delighted to share that July has been an exceptional month for us! As we find ourselves during July, I am proud to say that we have achieved a great start. We began with a highly successful Board Meeting, where we announced that we had attained a total of 50 Members and are thrilled to have three individuals in the process of joining us.

During the meeting, we discussed various options for our upcoming lunches and potential dinners. While we are still considering venues like Antonello's, Capital Grill, and Season's 52, I am excited to inform you about new possibilities. We have now set our sights on the Pacific Club and the Verdant Restaurant at the New Museum, situated behind the Segerstrom Performing Arts Center. On August 10 th ,we will convene there for a delightful dinner at 6:00 pm. I must mention that parking is not complimentary, unless you wish to visit the Silver Trumpet for a drink before joining us. The Silver Trumpet will validate your parking ticket if you are a paying customer. How exciting!

Also important is for all of you to let the Board Members know your preference as to lunch or dinner meetings, or some mixture of each and which locations you like best. We want to know what you think in order to make our meetings better.

Furthermore, our recent Flash Mob at Bar One was a tremendous success, with 12 attendees. If you missed this, you missed a wonderful event. These gatherings offer a unique opportunity to meet fellow Roosters and their partners, with no formal agenda other than enjoying great company over a delightful meal as we support the chefs that support us for our Chef's Experience on October 29th . Additionally, we had an incredible experience at the Angel game on July 15th . Although we faced ups and downs throughout the match, those who stayed until the very end witnessed one the most remarkable comebacks in Angel history. In the 10th inning, we triumphed with a score of 13 to 12. What a game! The Angels' season may yet hold promise, even without the presence of Mike Trout until September.

By the time you read this, we will have had the pleasure of gathering at the beautiful mini castle of "Batesby Farm," the home of Greg Bates and Joann Leatherby. If you haven't had the opportunity to visit, I assure you it is a hidden gem nestled in Modjeska Canyon, a true Shangri-La. During this gathering we will have made a final push to collect auction items for our highly anticipated wine Tasting event on August 26th . It's free and hopefully, you have invited all your friends!

Now, let's discuss membership. Many of us have been loyal members for an extended period, and it is understandable that fatigue may have set in. However, the best solution to this challenge lies in our ability to recruit new members into our community. We must reach out to our friends, colleagues, and customers, inviting them to join us for our Socials and monthly meetings as we contribute to our community. I recently came across a powerful quote in a book I read, which states, "Those who dare are winners." This simple yet profound message reminds us that we must dare to invite as many people as possible to each of our events. If we wish to see our Roosters community thrive and grow, it is essential that everyone contributes. In the coming week or two, we will be reaching out to each of you individually, so please be prepared to share your successes.

In conclusion, I kindly request your support to effectively convey our message, as you convince everyone you know to join us. Together, we can make a meaningful impact to ensure a vibrant future for our community. Thank You!

Vice President's Message Stan Smith

Fellow Roosters, get ready for some baseball terms...

When Gary asked me to be his Vice President in January, I said "Yes, but I will not be President next year." So, as to not to throw a "knuckle ball" to the Roosters

Membership, I looked at rewriting the Procedures Guide and bylaws to change the election of the Presidency and Vice President, along with helping to get more Roosters to attend luncheons and help support our sponsors.

Not to throw a "curve ball", but after discussion with the Board, I cannot rewrite the bylaws and Procedures Guide to allow this change to happen. Therefore, I will be stepping down as of October this year from the Board. The Board will select the VP to replace me in September and then Board Elections should take place in October.

It has been a pleasure to help lead this group as the Vice President. I highly encourage all members to step up and run for a position on the board for 2024.

"The Chefs Experience" Sunday, October 29, 2023

At the Chefs Experience event, we are excited to offer our sponsors the opportunity to have priority in selecting their menu. The menu selection hierarchy will determine the order in which sponsors can choose their preferred dishes for the event. The sooner you purchase your sponsorship, the higher you will be in the menu picking order. So don't wait too long, as time is ticking!

MENU Selection Format & Hierarchy

Format

In order of hierarchy*, each "Table Captain" will be *emailed 1* week prior to the event, to choose the menu for their table. Table Captain will have a 2-hour time limit to make a menu selection. The chef preparing the menu chosen will not be known to the guests until they enter the ballroom which adds to the excitement of the evening!

*Levels of Hierarchy -

Platinum, Gold, Silver, then other tables.

NOTE: Within each level, menu selection priority status is established on the date when the table is paid-in-full.

*Hierarchy

- 1) **Platinum Sponsors** receive <u>first choice for menu</u> selection, and are seated closest to the stage area.
- 2) **Gold Sponsors** receive <u>2nd choice</u> for menu selection, by order of date sponsorship was paid in full.
- Silver Sponsors will begin menu selection <u>after</u> the Gold Sponsors have chosen, in paid in full order.
- After the Table Sponsors have chosen their menus, other tables will have opportunity for menu selection.

NOTE: Entry into the Menu Picking Order is established when a table of 12 is "Paid in Full" and thus will move above in picking order, any partially paid tables (at the same level).
